Blue Devil '64

Foreword

How will *you* remember 1963-64?

Our chief aim in preparing this BLUE DEVIL has been to preserve as accurately as possible a record of the people and events which made this school year distinctive. We placed most emphasis on the students because we feel that it was they who did most to determine the course of the year. All of us contributed something.

Everyone who has been a part of Judson this year has worked and played, laughed and cried, won and lost. All that is here—and more, we hope.

Upon first perusal of these pages, memories will come clearly, sharply. Yet as the years pass, memories will somehow become clouded. We hope that, especially in those future years, your 1963-64 BLUE DEVIL may help you to recapture momentarily that intangible special "something" that was ours this year.

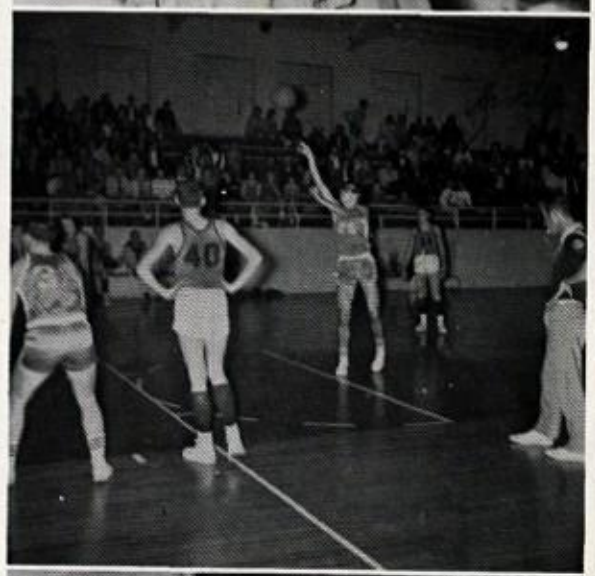
Activities at Judson have been as varied and interesting as the busy people who participated in them. There has been something for everyone, from the quietest introvert to the loudest extrovert; from the least intellectual to the most gifted; from the most mischievous to the most serious.

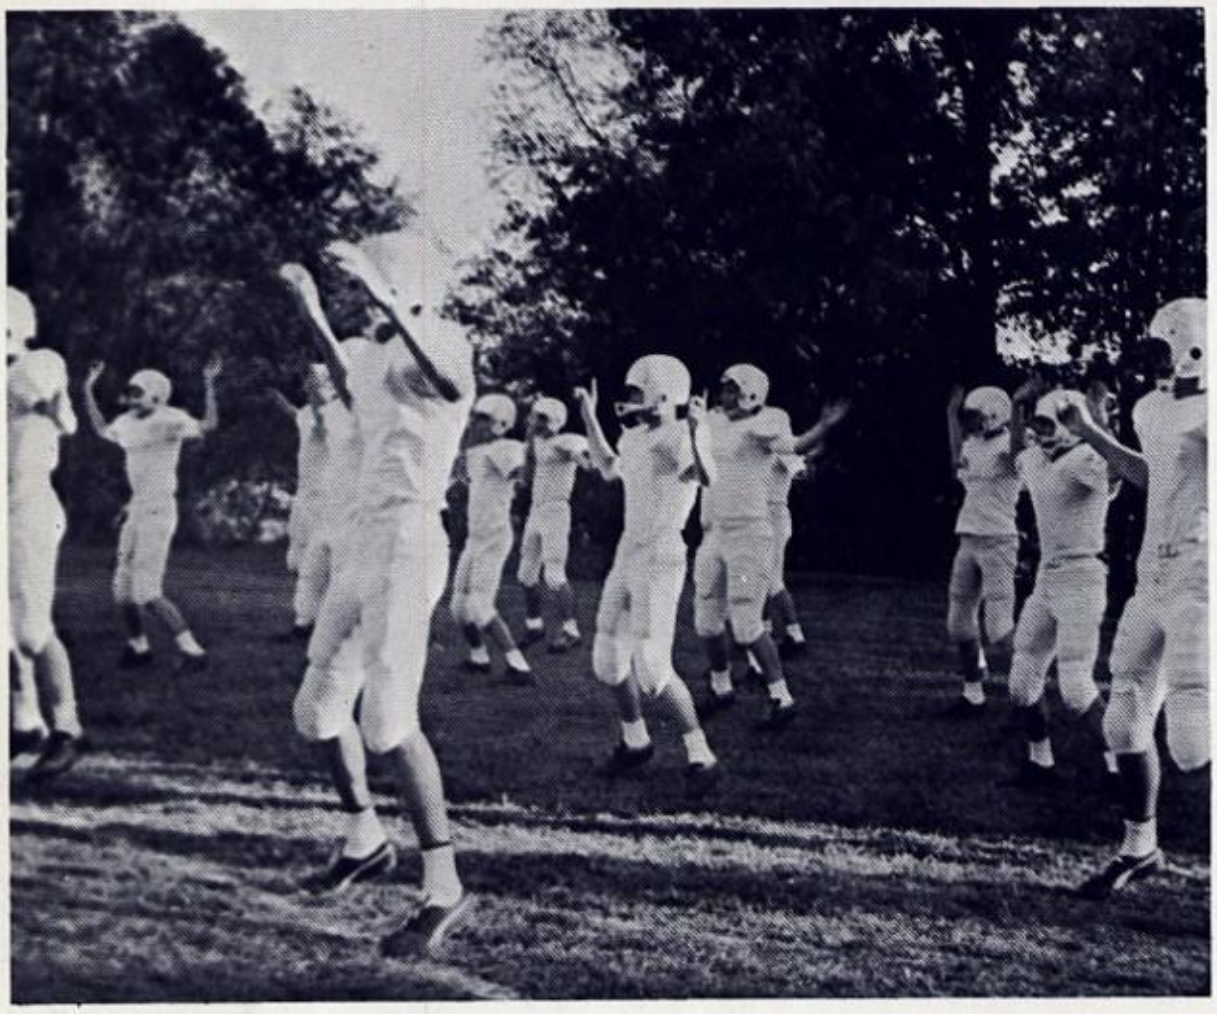
Not forgetting that our primary purpose in attending school was to learn, we filled our calendar with extracurricular activities: ball games, proms, Interscholastic League competition, club meetings, decorating sessions, and many others.

This has been a memorable and exciting year, and some of our favorite moments were those that we didn't plan—they just happened! The pages which follow contain candid pictures of us caught in the act of being ourselves.



Activities

Football Keynoted Fall Activity,



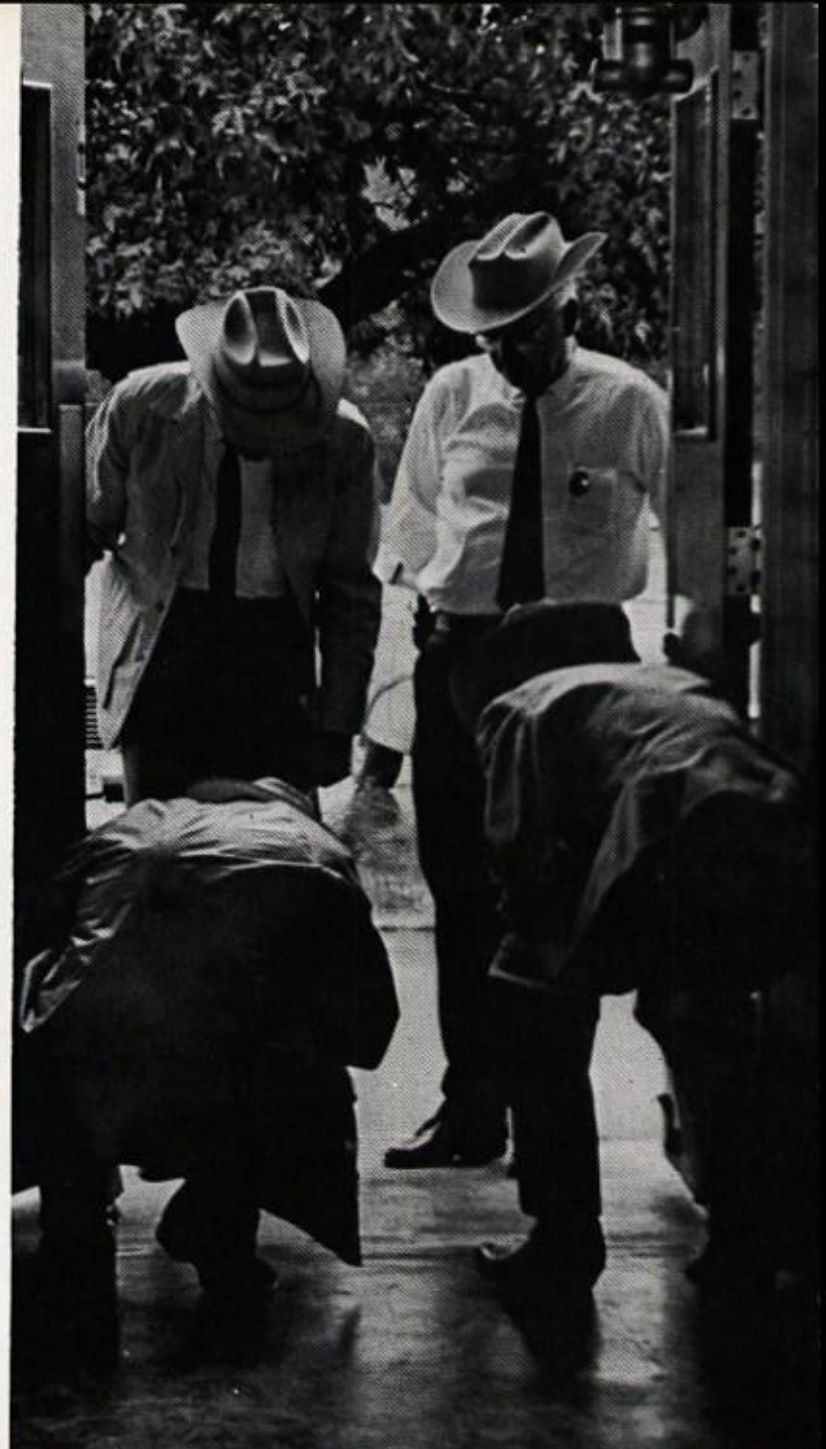
Football was already in the air when school began, and workouts were an everyday affair.

Mr. Muntean and avid Devil supporter Jo Ann Keasler took special pride in raising the Victory flag to full mast after a win.

Fruity looking, isn't it?

This P.E. class couldn't seem to shake the mood of lazy summer days.

A visit to the new Bell Telephone Company Building proved both interesting and educational . . . and who doesn't appreciate an opportunity to miss some school?



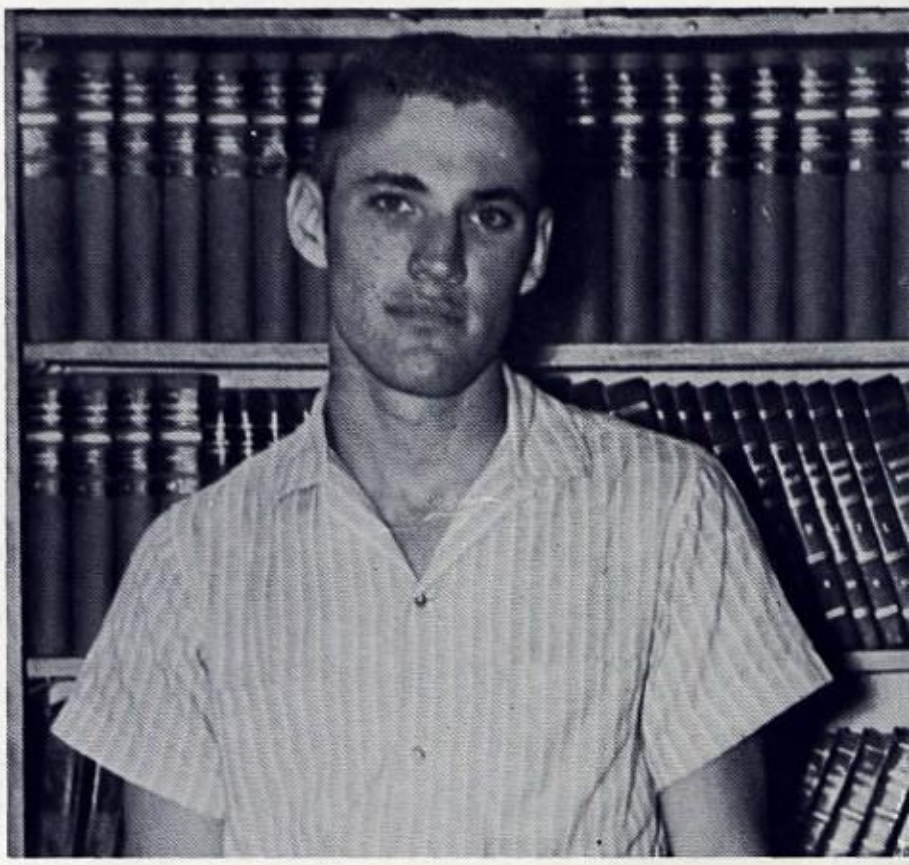
Officers from the Longview sheriff's department examined the building for possible clues to the identity of burglars who took over $300 from the school safe, September 18.

but There Were Other Diversions.

Mr. Muntean seemed to revert to his second childhood during Fire Prevention Week as he demonstrated to amused students the proper procedure for starting the toy fire engine which was given as prize for the best fire prevention poster.

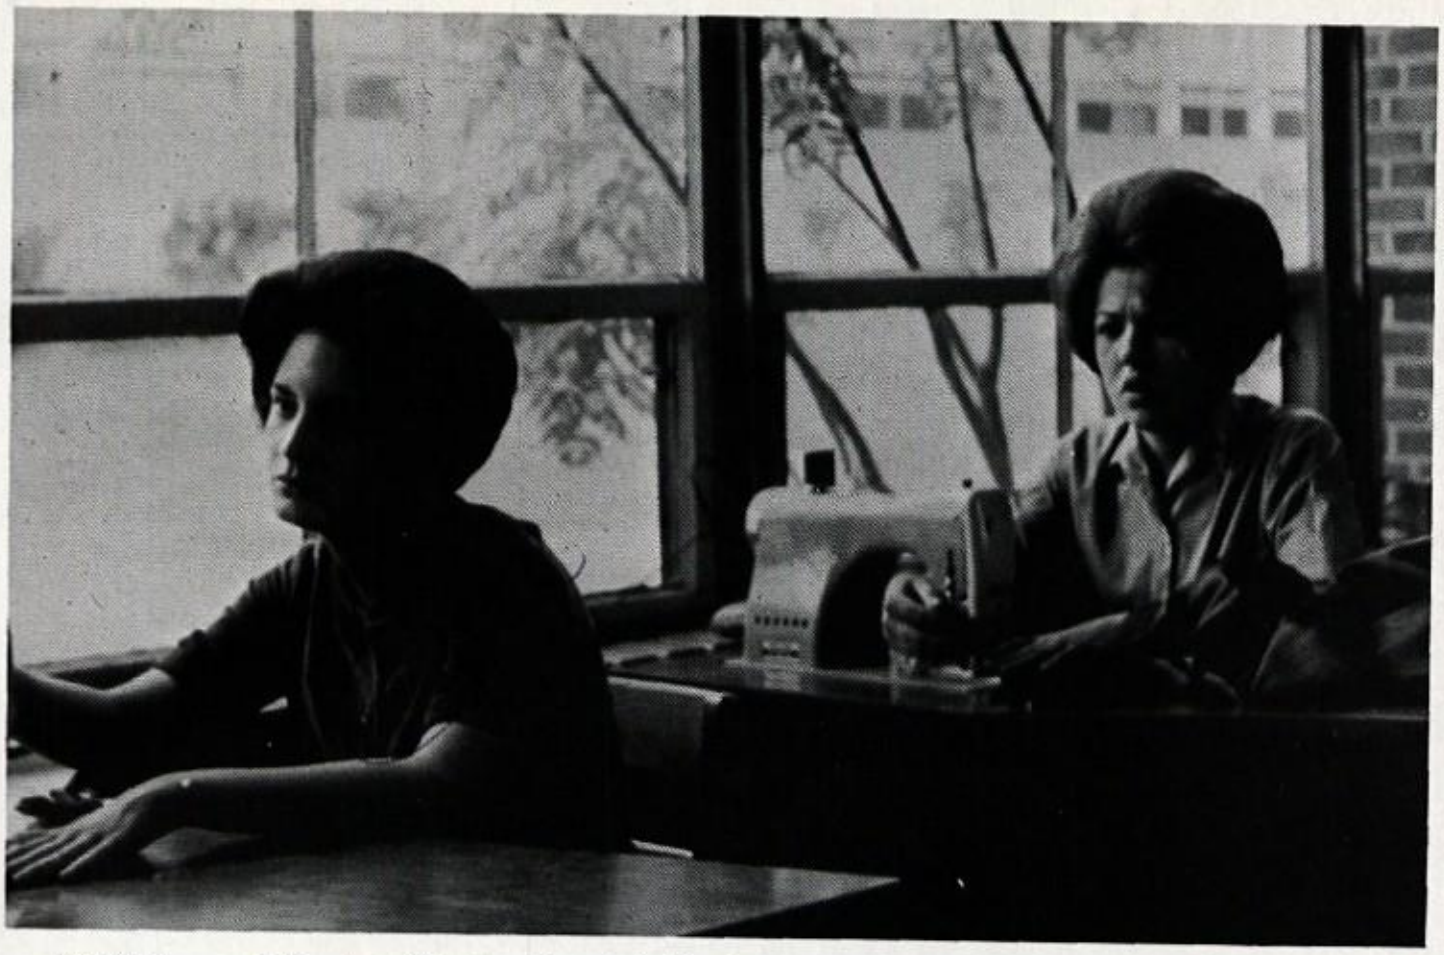
Mr. Wilbur directed the stage band during a performance for the Judson Lions Club. Dana Muntean, Pat Haggard, and Phil Haupt were featured in a rendition of "To Thee, Oh Asophodel."

Dr. Walter Kerr entertained the students with his version of "Single Saddle" during an assembly. His appearance was sponsored by a local civic organization in order to promote true patriotism among the youth of America.

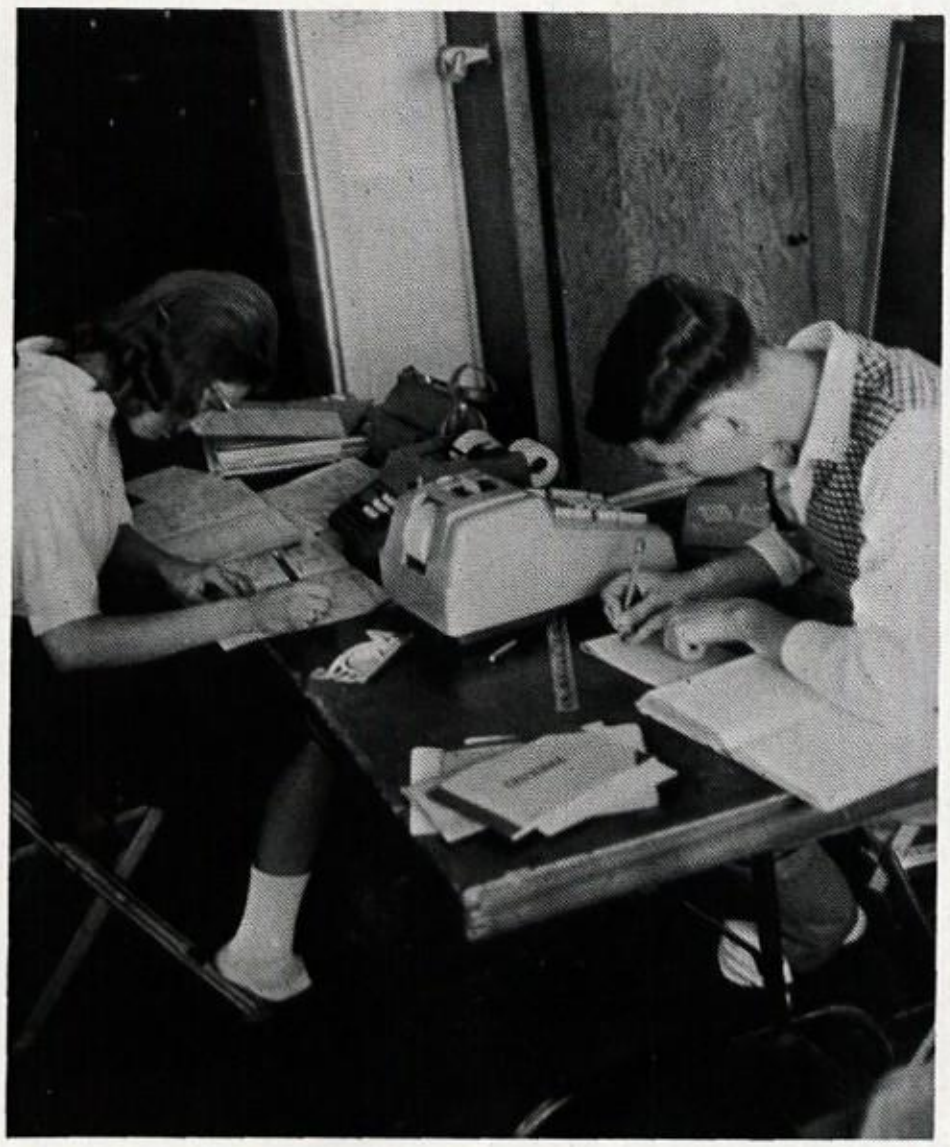


James Ray Keasler brought distinction to himself and his Alma Mater when he qualified as a National Merit Scholarship finalist.

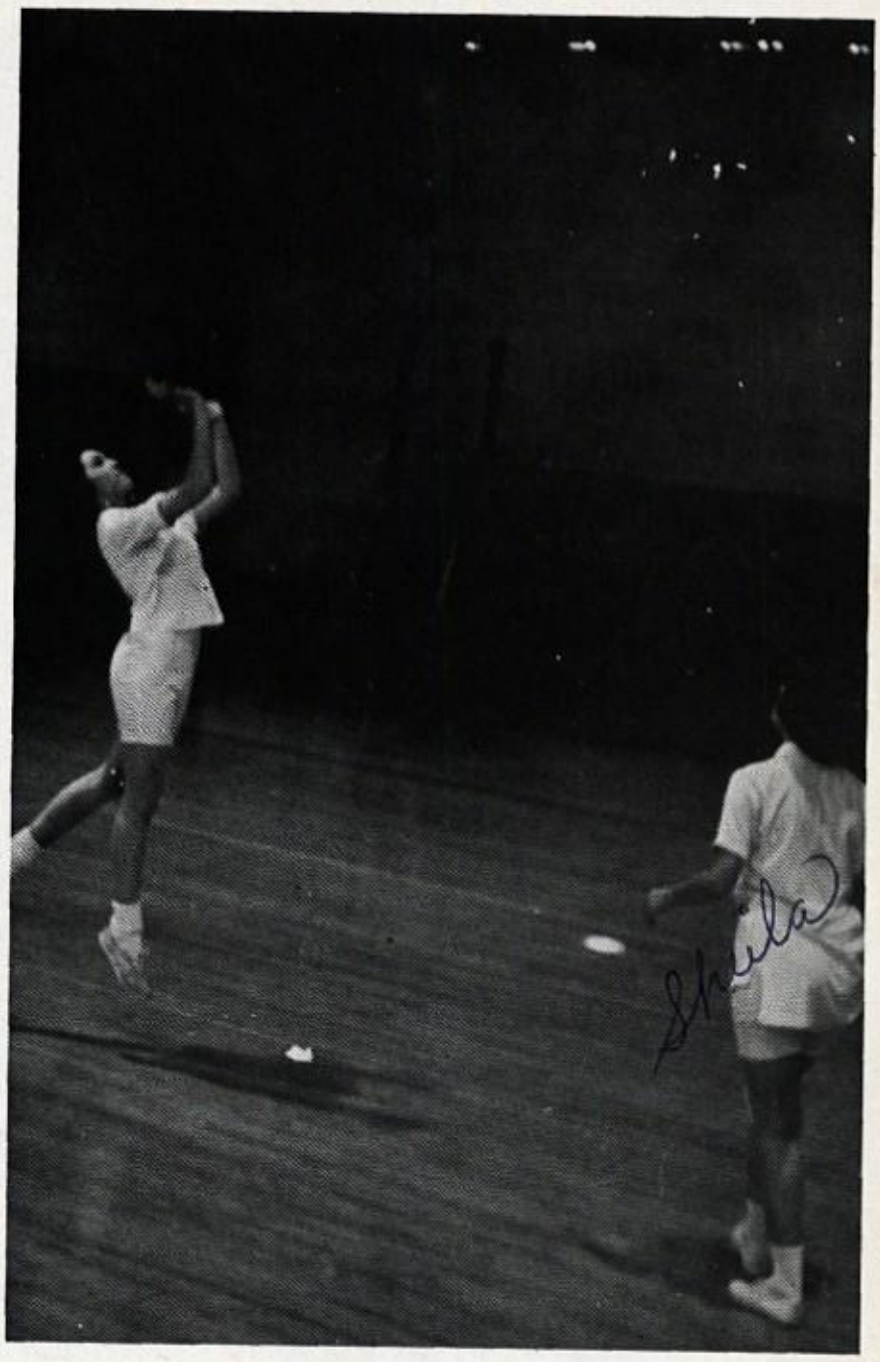
Volunteers from the Junior High and High School bands entertained fans during the Houston Oilers vs. Gorman Motors All-Stars basketball game in the Foster Junior High gym.



Jill Wiley and Jo Ann Keasler found it hard to concentrate on their sewing when day-dreaming was so much easier.



Rosalie Richardson and Arman Lemons worked diligently at the adding machines, trying to make their debits equal their credits.

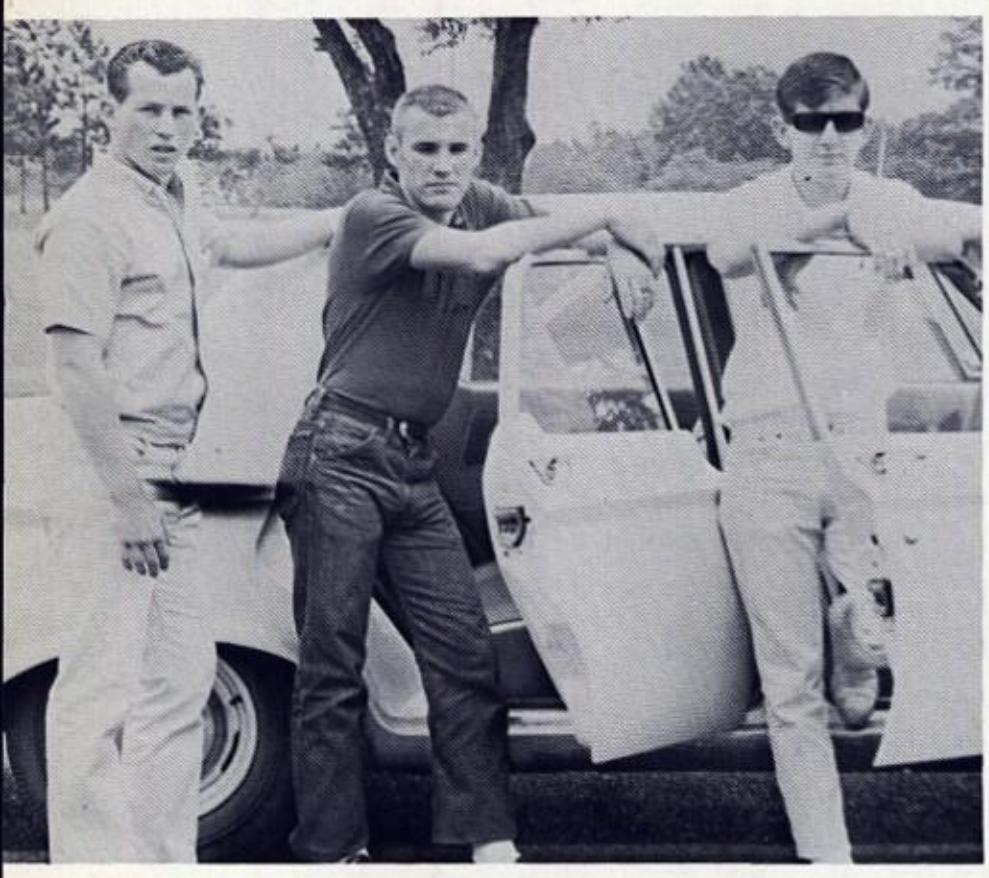


Sherry Leonard looked as though she were auditioning for the Russian Ballet as she leaped to set-up a volleyball to Sheila Morrow.

I crave those Health classes

Mrs. Mackey's Health Class didn't seem to find the discussions interesting enough as hot weather approached.

Julie Hvezdos, accompanied by the Judson Stage Band, offered her rendition of "S' Wonderful" to the students on the talent show preceding the cheerleader elections.



Randy Erwin, James Keasler, and Charlie Wilhelm had high hopes as they started on their trip to the State UIL contest in Austin.

Not quite ready to return to classes, students slowly filed out of the auditorium after an assembly.

Pat Haggard's huge "parachute skirt" provided an endless source of entertainment for journalism students as they took time out from the tiresome chore of decorating for the Coronation Dance.

While a horrified Sue Frazier looked on, Cynthia Barlow attacked a defenseless spider which dared to interrupt their office work.

Lynda Andrews, Carol Clark, Carolyn Curtis, and Sherry Leonard represented Judson on several programs in this area as "The Blue Debs." The girls were accompanied by Mrs. Bobbie Tipton at the piano and Wiley Earley and Monnie Linton (not pictured) on the drums.

During one of their many trips to the Golden Point, Darla Caraway, Charles Skinner, David Hightree, Wiley Earley, and Nolan Abrahms enjoyed a coke and exchanged plans for their summer vacations.

Boy! Aren't we beautiful!!

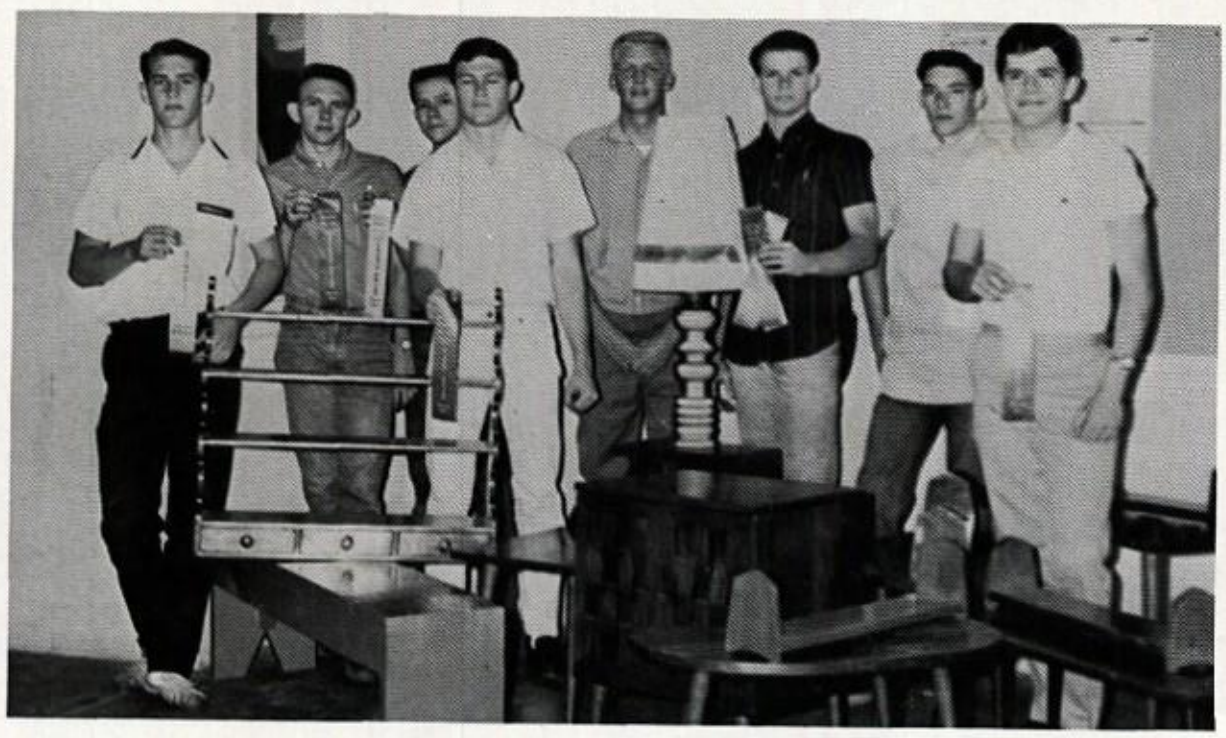
Eva McDowell, Vicki Pendergrass, and Sheila Morrow struck a glamorous pose on their way from the lab.

Senior favorites Richard Lankford, Cynthia Barlow, Lanny Swanson, Vickie Horn, Jimmy Ferguson, Ron Hollis, Sue Frazier, Rosalie Richardson, Billy Carnahan and Claire Holloway got together for this group shot at Six Flags over Texas.

Coaches Murphy, Roberson, and Camp seemed more interested in food than conversation at the FFA Banquet.

American Legionaire Billy Skinner announced the organization's choice of Judsonite Andy Robinson to attend Boys State in Austin during the summer.

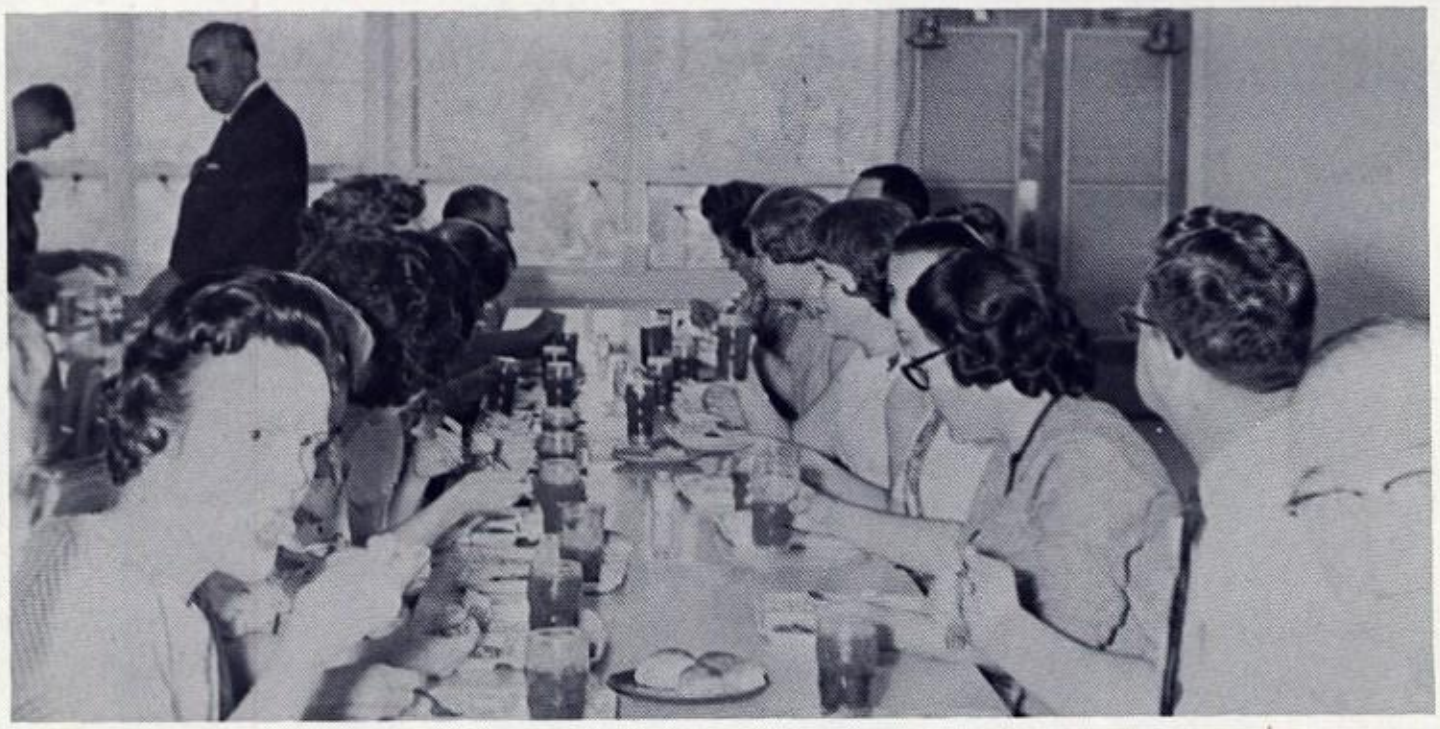
These girls goofed off before rushing on to their next class on the final day of school.



Mr. Camp's woodworking class showed off the ribbons they won for their projects at the Industrial Arts Show in Longview.

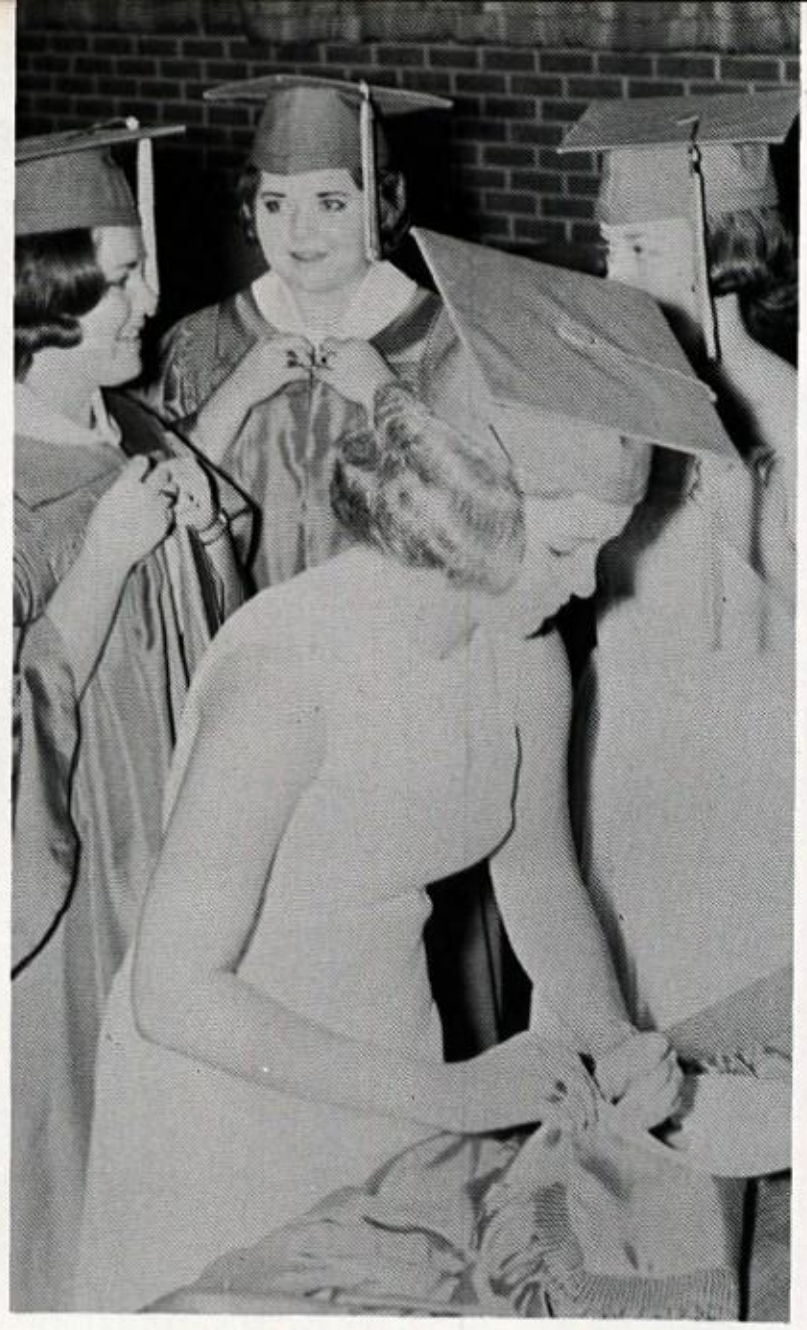
Seniors grew restless as commencement drew near and their final days in high school neared their end.

The Junior-Senior prom was the highlight of the year for the students as they danced in the splendor of a "Wonderland by Night."

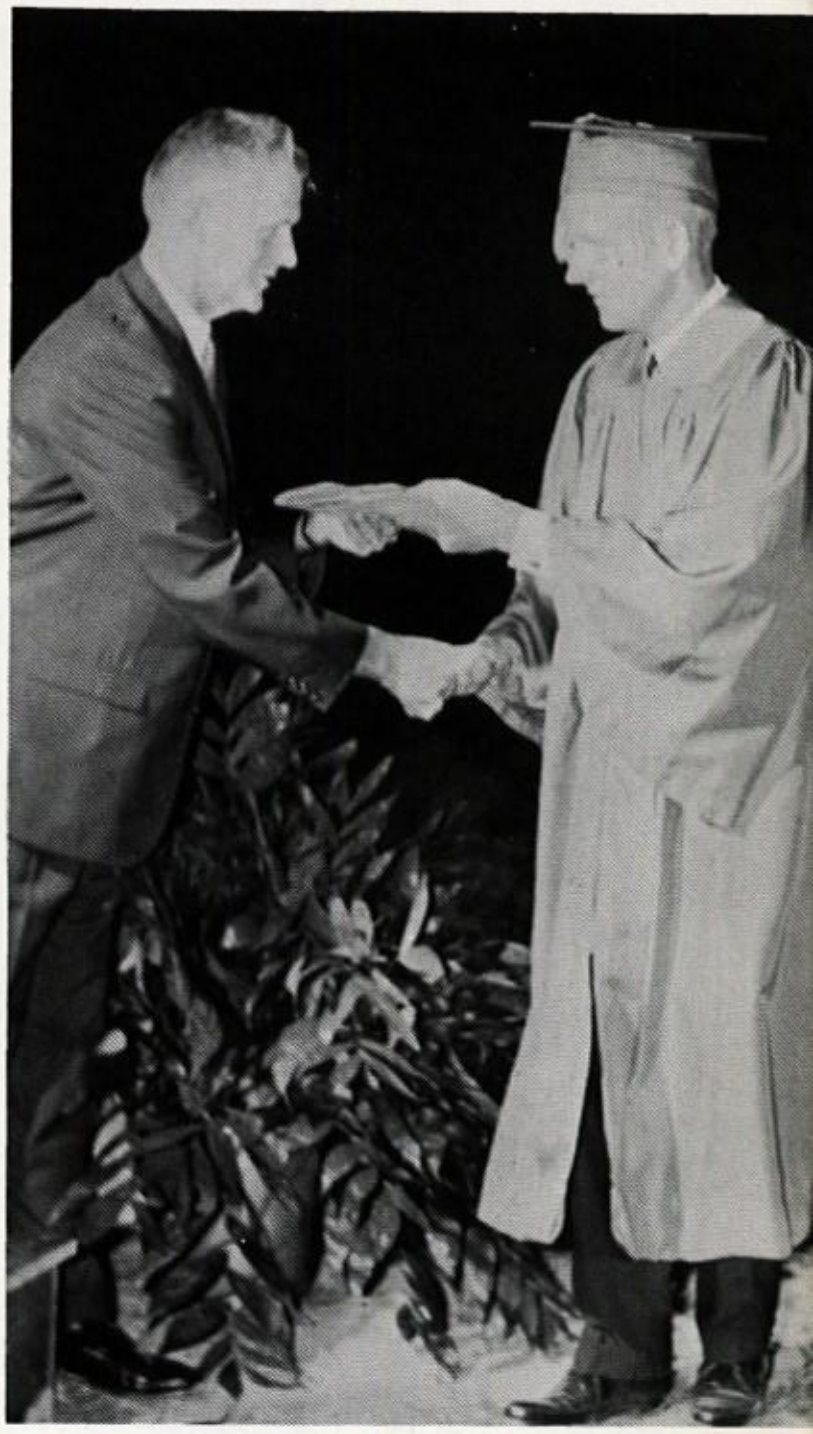


The faculty enjoyed a luncheon in the elementary cafeteria during the teachers' work day which provided the students with a holiday in mid-May.

Special guests at the prom, including the high school faculty and Board members, enjoyed a rare get-together away from school during the intermission.



Before the graduation exercises began, seniors nervously donned their caps and gowns.



After twelve hard years of work, Richard Lankford accepted his diploma from Dr. G. V. Hudson, President of the school board.

The hours of tension and anxiety were finally relieved when the 1964 seniors met in the auditorium to be congratulated by teachers and friends following commencement.

The Awards Assembly was climaxed when Sheila Duncan and Vickie Horn presented each teacher with an apple.

Competing with the seven representatives from other schools in the county, Nancy was crowned on the opening night of the fair, September 30, 1963.

Each school year the Judson Chapters of Future Farmers and Future Homemakers of America elect a sweetheart and a beau. The two students are chosen by popular vote. The students to receive these titles this year were Sharon Carnahan, a sophomore, and Randy Erwin, a senior.

Both, active students in all school activities.

Many formal organizations are an integral part of Judson High School. Though their activities are sometimes social, the primary reason for the clubs' existence is to supplement classroom work and to offer to students the opportunity to develop special interests and aptitudes. Many times club work even helps an individual to choose his vocation.

Much acclaim has come to the school as the result of outstanding performances by students who are members of these organizations. Recognition was hard won; the price was many long, tedious hours of work by pupils and faculty sponsors. However, we consider such activity well worth-while, for we feel that it is indispensable to the development of well-rounded personalities.

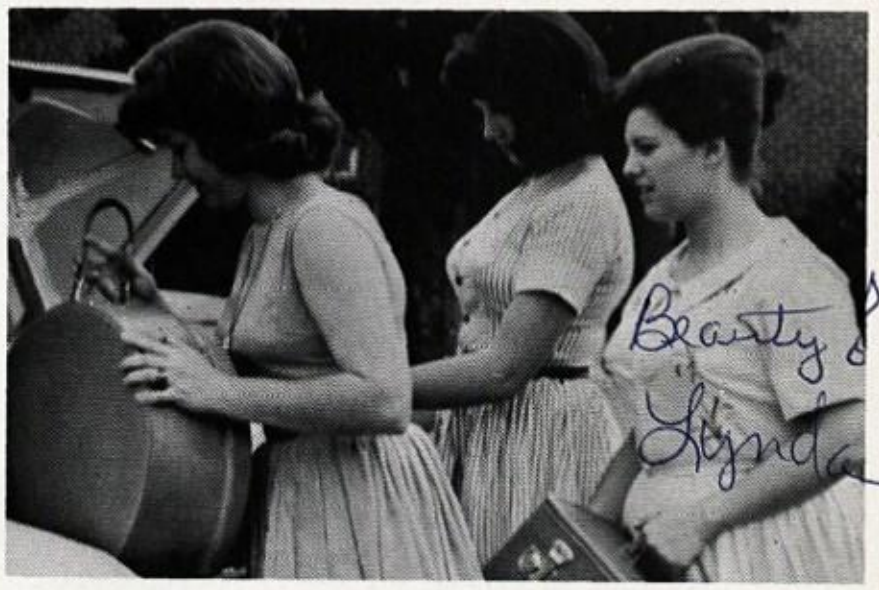
Preparation for the year's activities began with summer rehearsals in August. After the school year began, the students remained each Tuesday afternoon during football season to perfect halftime routines.

Other than providing entertainment at football games, the band appeared in pep rallies and assemblies and participated in the Gregg County Fair Parade, Longview Christmas Parade, and Stephen F. Austin Homecoming Parade.



Vickie Horn, Darla Caraway, and Lynda Andrews eagerly packed the car prior to attending State Solo and Ensemble Contest at University of Texas.

1st Division winners on solos at Solo and Ensemble Contest were: (front row) Patti Thomas, Dan McQueen, Joe Vorsas; (back row) David Yarian, Loy Thurman; (seated) Walter Futch.

A clarinet quartet composed of Johnny Bazzell, Cerry Coke, Ann Williams, and Cathy Pliler was awarded a 1st Division rating at Solo and Ensemble Contest.

At the first regular meeting of the year, President Cynthia Barlow encouraged members to lend their full support to the organization's activities.

Robert Bankes addressed FHA'ers on "Preparation for Marriage" at the regular February meeting.

Spanish Club

Señor McAdams accompanied his Spanish II class on the guitar while they sang old Spanish ballads.

OFFICERS: David Yarian, president; Eva McDowell, vice president; Sharon Carnahan, secretary; Bridget Barlow, treasurer.

According to its Constitution, the purposes of the Spanish Club are to develop interest in the language of Spanish-speaking countries, to learn their culture and customs, and to promote good will between the U.S. and these countries.

Although foul weather spoiled their plans for a festive Christmas party, the local club staged an exciting fifteenth-birthday party for a member, celebrating in an authentic Mexican atmosphere.

Parents' Organizations

Three organizations in the Judson community exist for the purpose of giving to parents and other interested patrons the opportunity to contribute to the effectiveness of school's program. Though the advisability of maintaining a P-TA was questioned this year, interested parents and teachers decided to keep the organization and increase efforts to make it a worthwhile supplement of the school. Members of the Band Parents' Club and the Athletic Association seek to promote certain extracurricular activities.

BAND PARENTS' CLUB OFFICERS: Mrs. C. L. Morris, president, Mrs. M. C. Loan, vice president; Mrs. J. R. Powers, secretary, and Mrs. G. C. Lyon, treasurer, are not shown.

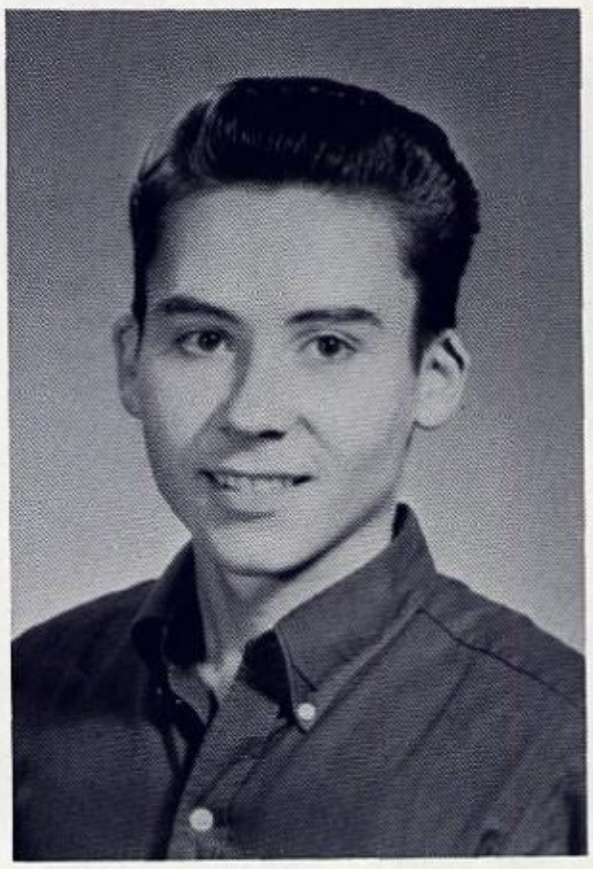
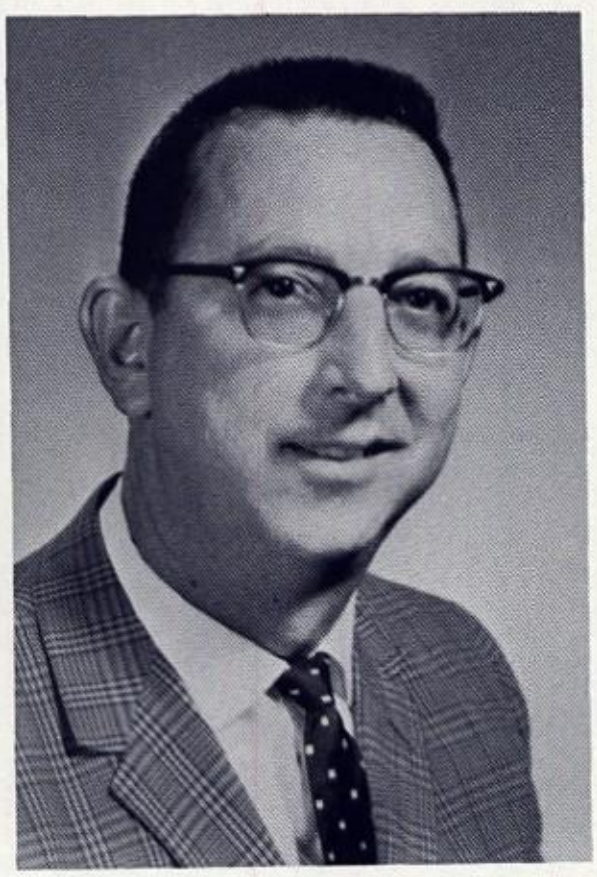
Judson's drama group, the Thespians, under the direction of Mr. Caraway, presented three plays during the year, including "The Boy Comes Home," their selection for Interscholastic League. At the district UIL contest, Rick Shepherd, senior, was selected to the All-Star Cast.



Rick Shepherd, *All-Star Cast*



W. O. Caraway, *Faculty sponsor*

As usual, sports activities began even before classes started this school year, with the football boys working out while summertime heat persisted. Enthusiasm ran high among students, faculty, and residents of the community as the athletic program launched into another promising year. The coaching staff included new coaches and "veterans" from previous years.

In retrospect, we feel that though Judson took some honors in athletic activities during 1964-65, the scoreboard did not always indicate accurately the quality of our teams' performances.

Judson boys participated in football, basketball, track, tennis, baseball, and gold in Interscholastic League competition. Girls' athletics included participation in the district volleyball tournament and an exciting intramural basketball tournament.

Students in physical education classes were tested three times during the year on the six parts of the Physical Fitness Program set up by the late President Kennedy.

Much badly-needed equipment was purchased during the year, and the football field itself received a "face lifting," giving us confidence in our cheer, "wait till next year!"

JHS students joined wholeheartedly in competitive activities this year, both athletic and academic, winning many honors which had previously seemed to be reserved for others.

Among these people were trophy-winning bandsters; myriad district Interscholastic League winners, regional champion speakers, mathematicians, and scientists; award-winning journalists; ribbon-winning wood craftsmen; an area FHA officer; a scholarship-winning essayist and National Merit scholarship finalist; a top-notch calf scrambler; victorious athletes; and others who achieved distinction.

Classes here have continued to grow progressively, and it became necessary this year to divide the sophomores into three sections, the juniors into two. The relatively-small senior class remained in one section. It is anticipated that within the very near future Judson High School will be in Class AA.

Vicki,

Well, I do believe this year has really flown by and I must say, I've never had so much fun and enjoyed anyone's friendship as much as yours. I hope that many years from now when you pick up this book, you'll remember all the good times and the trouble we've gotten into. The slumber parties, ball games, receptions, all of those great F.H.A. meetings and trips, our triple date and of course our famous trips to the B.B., J.B., and B.J.'s. I am certainly looking forward to this our last year at good old Hudson High, (ha) although it seems like just yesterday that we were fighting for the "good" chair, back in the seventh grade. I know that this last year is really going to fly by faster than all the others, so let's really make the most of it.

Love always,
Eva

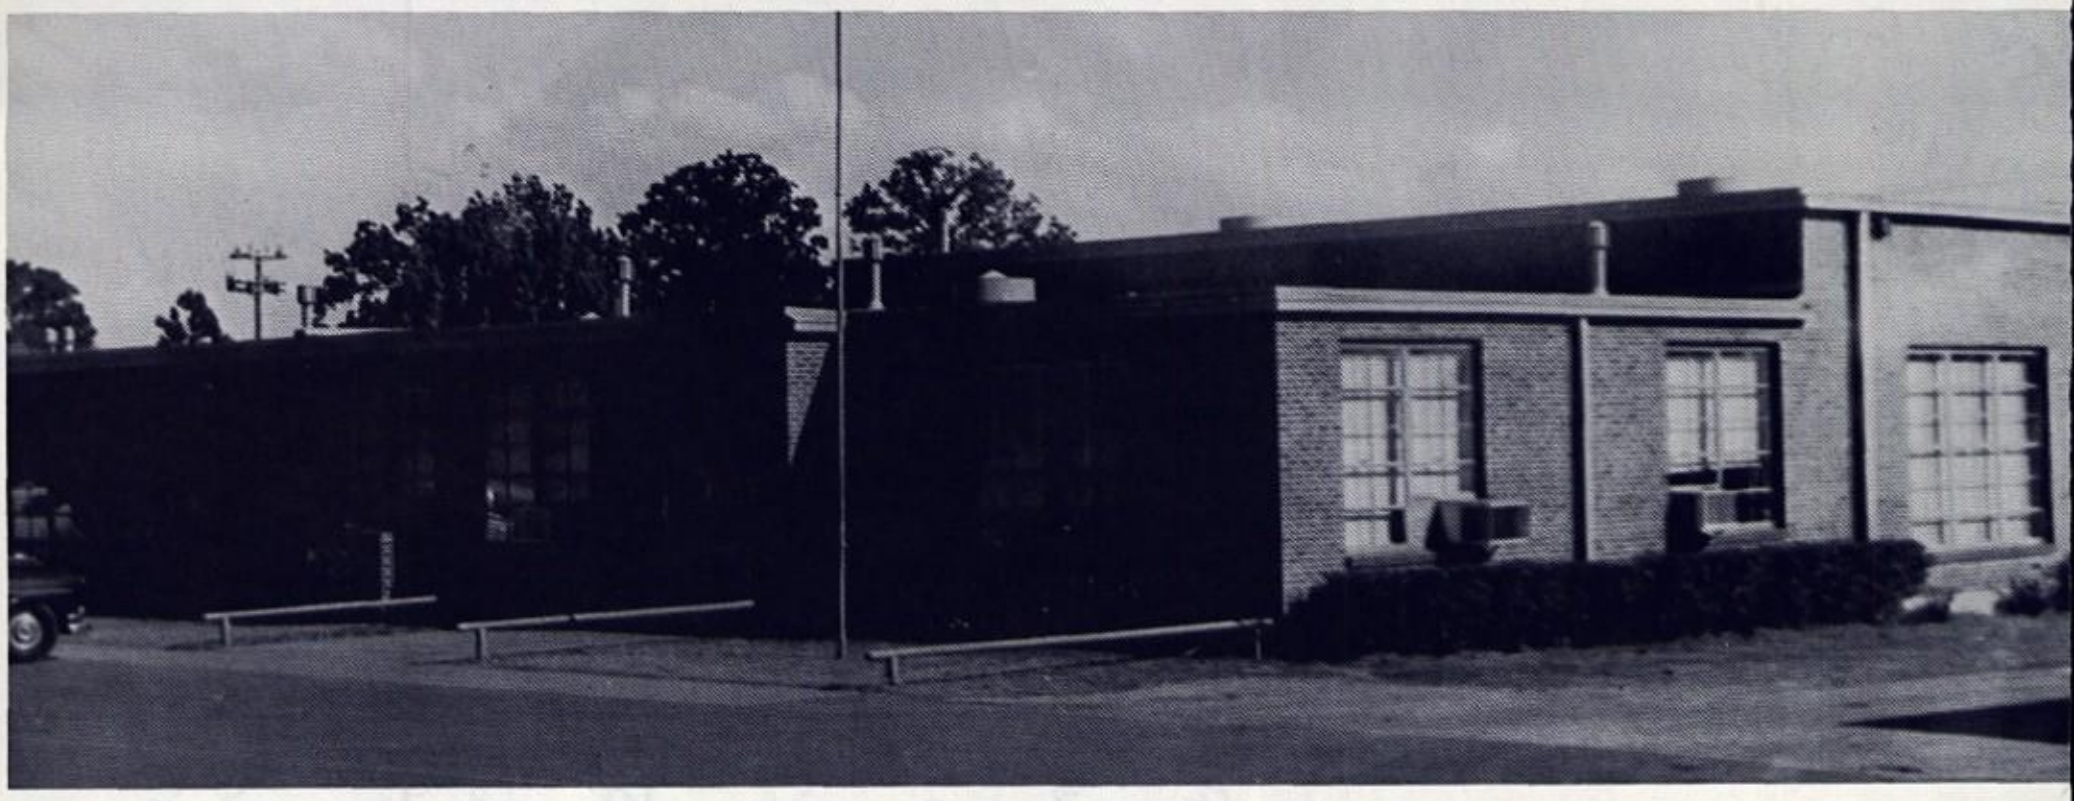
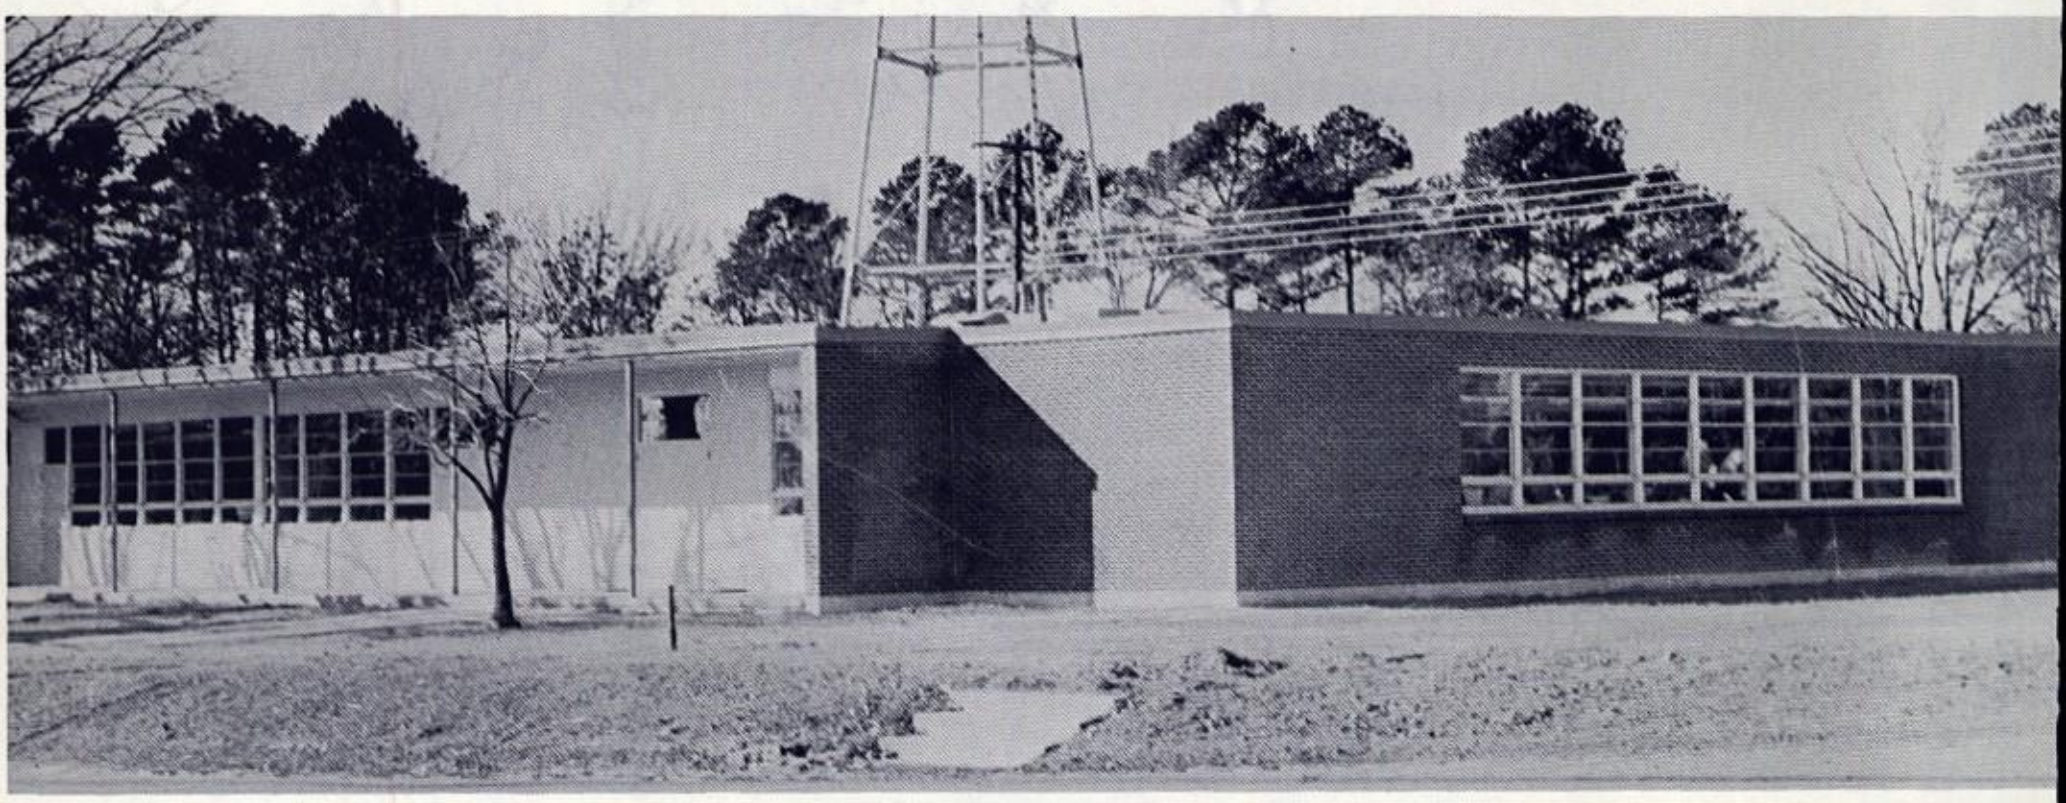
High School Buildings



The high school building contains the principal's office, superintendent's office, tax office, and most of the high-school classrooms.



L. L. Mackey Building, added in 1958, houses the science lab, shop department, and band hall.

The Judson Community Center was the scene of private parties, class parties, County Council meetings, and other activities throughout the year.

Nobody else had much of a chance in Interscholastic League contests after Judson Junior High students got there! This year these people won championships by the dozen!

Beginning the year with a brand-new principal and jam-packed classrooms, junior highers energetically hit the gridiron, bringing home the district tri-championship at the end of football season. Junior high athletes continued to brighten high school coaches' hopes when they also wrapped up the basketball and track championships with comparative ease. The remainder of the year's activities were met with a like combination of ability and enthusiasm. The junior high science fair was a special success.

Fifty-four ninth-grade students graduated into high school, leaving a little room at the bottom for the mammoth group of seventh graders expected for the 1964-65 school year.

Spring Brought Two New Events

A group of seventh graders assumed a superior air as they watched participants in the elementary track meet.

Douglas Hightree strived to make his attempt worthwhile in the running broad jump event.

The hand that held the stop watch seemed to spur George Terrell, Jay Cee Shepherd, and Craig Mathews to exert every ounce of their energy as they neared the end of their race to the finish line.

Prospective buyers examined the vast number of selections at the Book Fair as they contemplated their purchases.

An interested parent aided these students in making their selections.

Dear Vickie,

To one of the sweetest girls I know. I have really enjoyed going to school with you. I had lots and lots of fun in band. Best of luck in everything you do.

Love ya,

Karen

Dearest Ki-Ki -

Along side Eva, you're the craziest thing and swing the vines or pondered in the bushes. But you'll have to get a little better to be as good as your friend.

Ki-Ki, you and Eva and me and Jill haven't always been best friends until here recently. Now is a good time to start our friendship. Instead of going out in 2's and getting intoxicated, let's make it a four-some - It's really more fun that way. (Mrs. Penddegrass, I'm just foolin') Us four + some more will have to have some good times this year. With Yours and Eva's good looks and Jill's and my witty personality. We'll shock everyone - O.K.

Love to a Sexy Devil-

Jo Ann

Dear Vicki,
It's sure been fun being around you these last years. Your wit (if that means jokes, etc) has kept everyone in stitches. Best of luck to you in the future.
Lots of love,
Sheila

Vicki.
These past years have been a lot of fun for me and I hope for you. As we finish our last year in school may you, and I look back and remember the great times we've had.
Good luck in everything you do.
Love Kay
"Sr. '65"

Dear Vicki,
Well, here we are in our last good year at ole J. H. S. & hope that it will be one to remember for everyone. I will never forget the good times that we have had together this past summer. You are a very cute, sweet, and nice girl. I hope that our friendship will last forever and let's keep in contact for many years to come. Okay? Okay! I wish you the best of luck always in whatever you set out to do. Keep your warm, wonderful smile and you <u>will</u> go far in life.

Love ya,
Nancy
SR "65"

Vicki,

To one of the sweetest and nicest girls that I have ever known. You have a great personality which will send you far along in life.

I have really enjoyed being one of your classmates and friends throughout my years at Judson. May God bless and keep you always.

Love Ya Lots,

Jute

(Judy Vereta Lawler)

Vicki,

This is to wish the very best to a great girl with a wild personality. Keep that cute smile and grand sense of humor and you'll go far in life. May the best always come your way.

Love ya,

Barbara

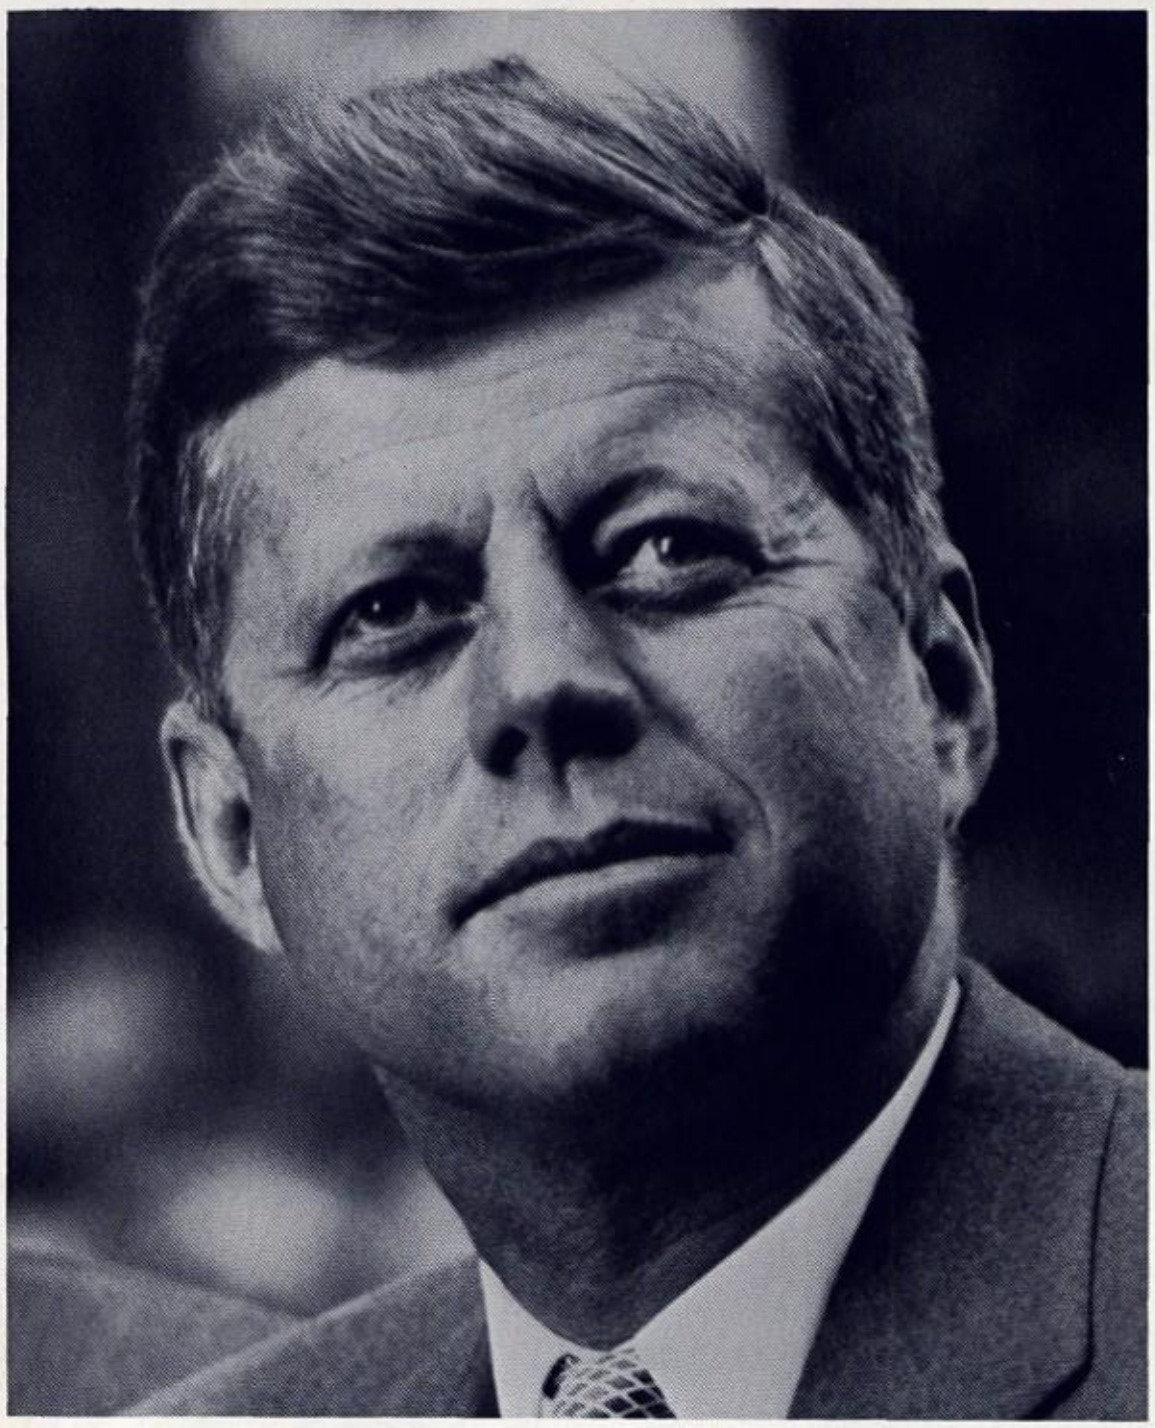
Blue Devil '64



November 22, 1963, began—and progressed for awhile—much like any other school day—even a bit better, perhaps. In the first place, it was Friday, which is always reason for rejoicing around schools. Second, we were already anticipating the Thanksgiving Holidays of the next week.

Most of us had just finished lunch that fateful day when the incredible news broke: our President and our governor had been shot, were critically wounded, perhaps dead. Reactions eventually ran the gamut of human emotions, but all began with stunned disbelief. For a few tense minutes, students wandered, distracted and lost; teachers paced, grave and concerned.

Then the unmistakable word came: he was dead. President Kennedy had been assassinated.

Numbly we watched through the next three days: first the weekend, then the formal day of mourning on Monday. As we sat transfixed before our TV sets, surrounded by newspapers whose bold black headlines screamed the news at us, we sensed vaguely that we were peculiarly a part of the history being made.

Perhaps this sensation was due to our proximity to Dallas. Primarily, though, it was due to the unique rapport which most young people had felt with this vigorous young President, this bearer of the torch for the "new generation of Americans," to borrow his own words.

We found it comforting to return to school and to resume the familiar routine the following Tuesday, but things weren't quite the same, somehow.

Time has continued to pass unchecked; other important events have transpired since. But wherever we go, whatever happens in the future, we know that not one of us will ever forget where he was and what he was doing on that bleak November school day in 1963 when he learned that President Kennedy had been assassinated.

Dedication

Many important ingredients are necessary to the existence of a school: buildings, equipment, teachers, custodians, and others. But without the primary ingredient — STUDENTS — everything else about a school would be completely meaningless.

Because the staff feels that the 1963-64 school year at Judson has involved an especially fine group of students, it is to them that we dedicate this BLUE DEVIL. And, even though this book is specifically a record of this year and the people and events which comprise it, because we feel that in many ways this group is typical of all student bodies which have walked these halls before us, we think that in a sense this dedication must include them, too.

Some of us have been here twelve years and have watched a small country school as it grew to a city school; we were part of the growth. Others have joined us recently, but it has not taken long for these people to realize that though our newest facilities give the campus a rather "sophisticated" appearance, we have tried successfully to preserve our small-school warmth and individuality.

The 1964 graduating class contains thirty-five and is no doubt the last "small" class Judson will have. Already more than one-hundred eager first graders are anticipating next fall's enrollment.

Despite our swelling numbers, these nostalgic words will never fail to stir fond memories in the heart of every individual who loves Judson School—our real dedicatees:

"Loyal and true,
We pledge allegiance to you.
This is our motto:
We are one for all
And all for Alma Mater.
Here's to our school,
And long on high may she rule!
Forevermore you will find us
Always loyal and true!"

BACK ROW, l to r: Dr. C. W. Payton, Frank Van Cleve, Jim Wallace, Bill Taylor.
FRONT ROW: Ed Fisher, George Lyon, Dr. C. V. Hudson.

Board of Trustees

The seven members of the Judson Board of Trustees are elected by the patrons of the Judson Independent School District. These individuals are civic-minded citizens who have a vital interest in the welfare of the children in the Judson School District.

George Lyon, President, is head of the accounting department at Mid-Valley Pipe Line Company. Dr. G. V. Hudson, Vice President, is a chemist at Texas Eastman. Ed Fisher, Secretary, is an accountant for the Potter Estates. Others members of the Board are Dr. C. W. Payton, a local practitioner; Frank Van Cleve, an Electronics Engineer at Convair; Jim Wallace, salesman for Interstate Electric; and Bill Taylor, an Electrical Engineer for Southwestern Electric.

These men, who serve without pay, meet once a month to discuss current problems concerning the Judson Schools and to approve and sign bills.

JUDSON PUBLIC SCHOOLS
JUDSON, TEXAS

DAN MUNTEAN
SUPERINTENDENT

Dear Students:

I commend the Annual Staff in dedicating this year's annual to the Judson Student Body. Our student body is largely responsible for the excellent reputation enjoyed by our school. It is a source of great pride to the staff and to me to know our students merit the praise and respect of the community.

My hope is for continued high ideals and school pride.

Sincerely,

Dan Muntean

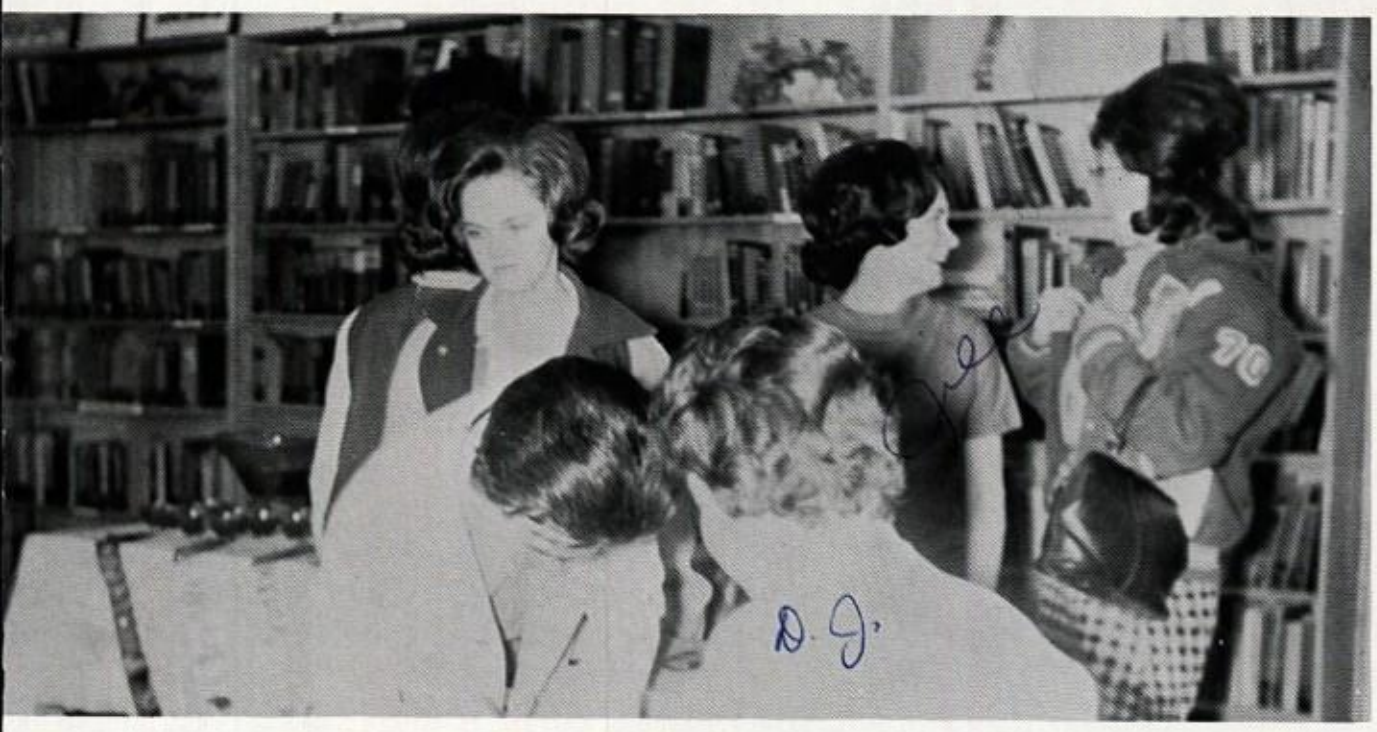
Dan Muntean

Yards of paper went into spirit signs which decorated the halls on Fridays, urging the team on to victory.

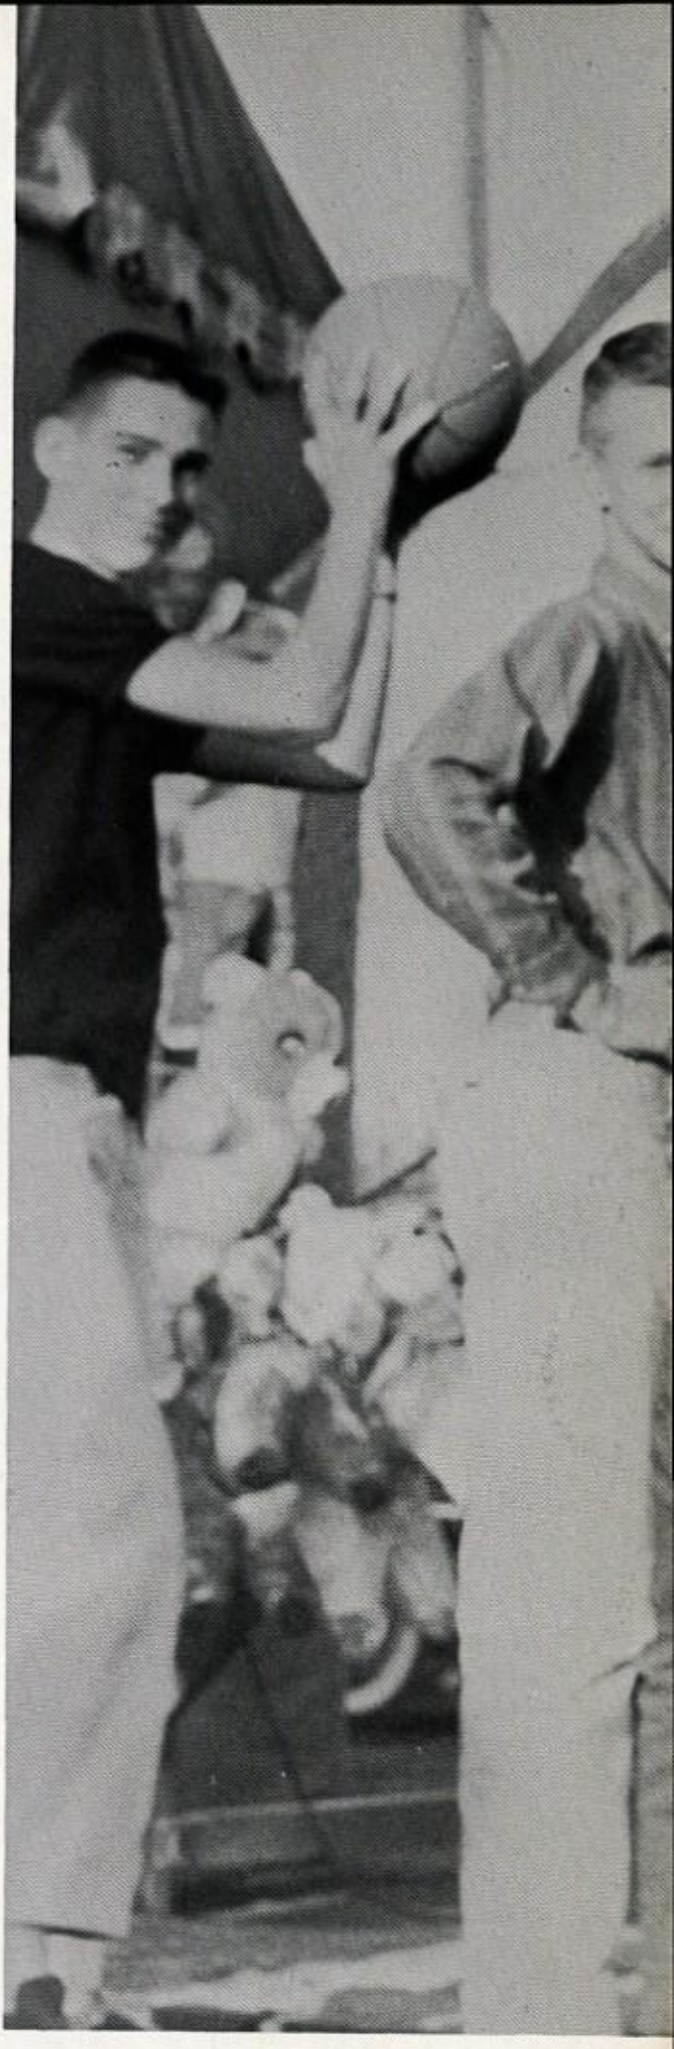
Enthusiastic cheerleaders led the Blue Devils onto the field to the tune of our fight song.

This reception at the Carrolls', was one of the many which students attended following home games.

Carolyn Fenton tried out her sales pitch on fellow FHA'ers, Hilary Bray, Sharon Carnahan, Sheila Morrow, Martha Emmel, Carol Best, and an uninterested Nelda Barr as the girls waited for patrons at their annual Cake Sale.



Honor roll students Brenda Cabbiness, Jill Wiley, and Janelle McQueen enjoyed time out from classes at the regular party in the library hosted by the National Honor Society.



Kenneth Sirratt and Albert Gilmore optimistically toed the freethrow line at the fair ground booth.

Miss Gregg County hopeful Nancy Deshler flashed a bright smile to admirers as she rode in the parade preceding the judging at the fair grounds.

Frequent Changes Broke Tedium

Judsonites lustily sang the fight song at this pep rally as cheerleaders Jo Ann Keasler and Jessica Roach skipped to the tune in anticipation of another big game.

Though she left at semester, Mrs. Moyers carefully counseled Kay Moore on her home project.

Mr. Glenn Scott, representative of the Southwestern Bell Telephone Company, performed a demonstration and lectured on new developments in the industry to an audience of junior high and high school students.

Petite Diane Harrison stood between towering gridsmen Billy Carnahan and Donny McDermott after being named 1963 Football Sweetheart at the Hawkins game.

Sherry Leonard prepared to bestow a mammoth snowball upon some unsuspecting victim during the last heavy snow of the season.

"A" team members sat restlessly with other fans as they waited for play to resume in a "B" game.

# of Winter Routine.

Sue Frazier and Betty Lile contemplated leaving their mark by changing the type on the day's edition during the journalism class's visit to the *Shreveport Times* Building in January.

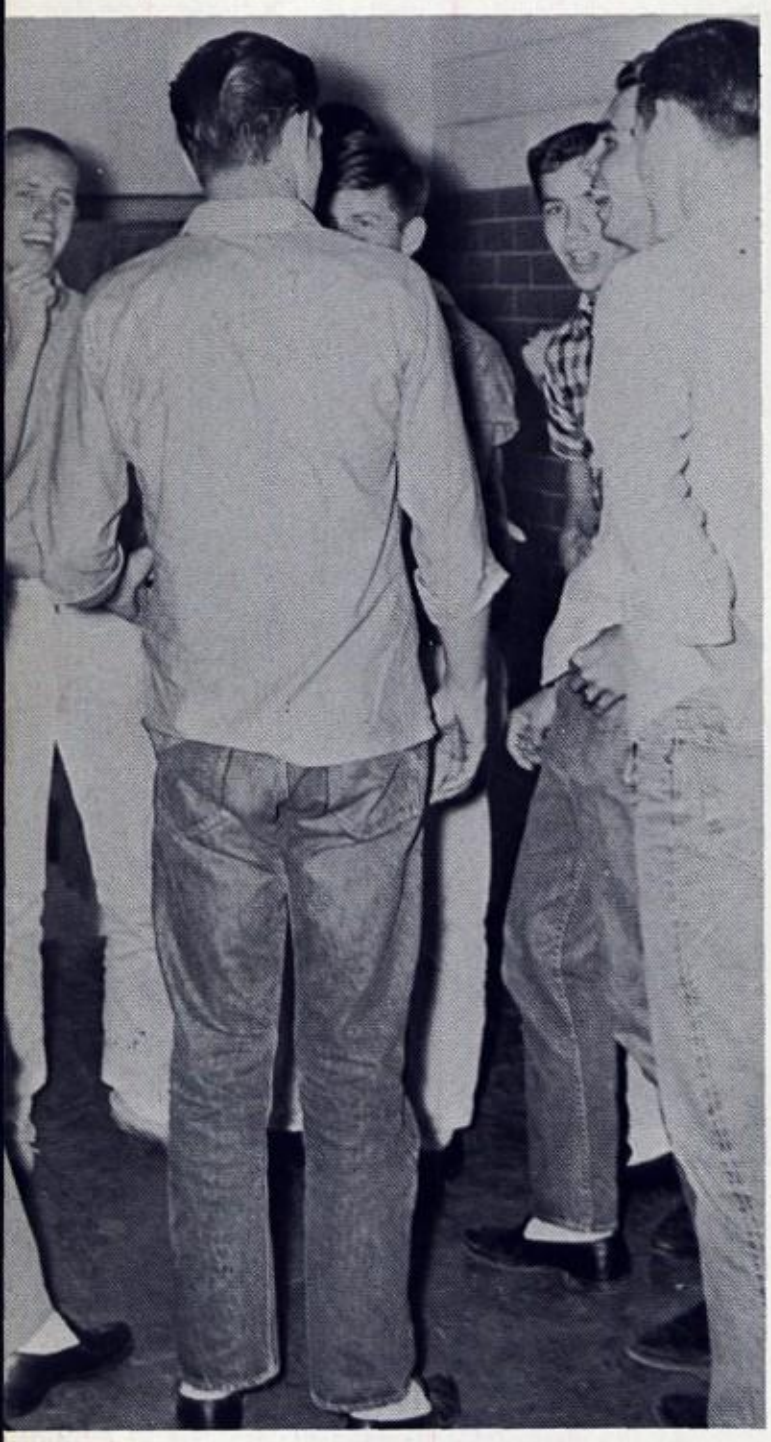
Miss Linda Nail and Miss Ruth Nichols met at their mailboxes before beginning another day of classes. These teachers came directly from final exams at their respective colleges to join the Judson faculty at mid-term.

Eager patrons swamped the concession stand in hopes of being served before the teams returned to the field.

There I am again!

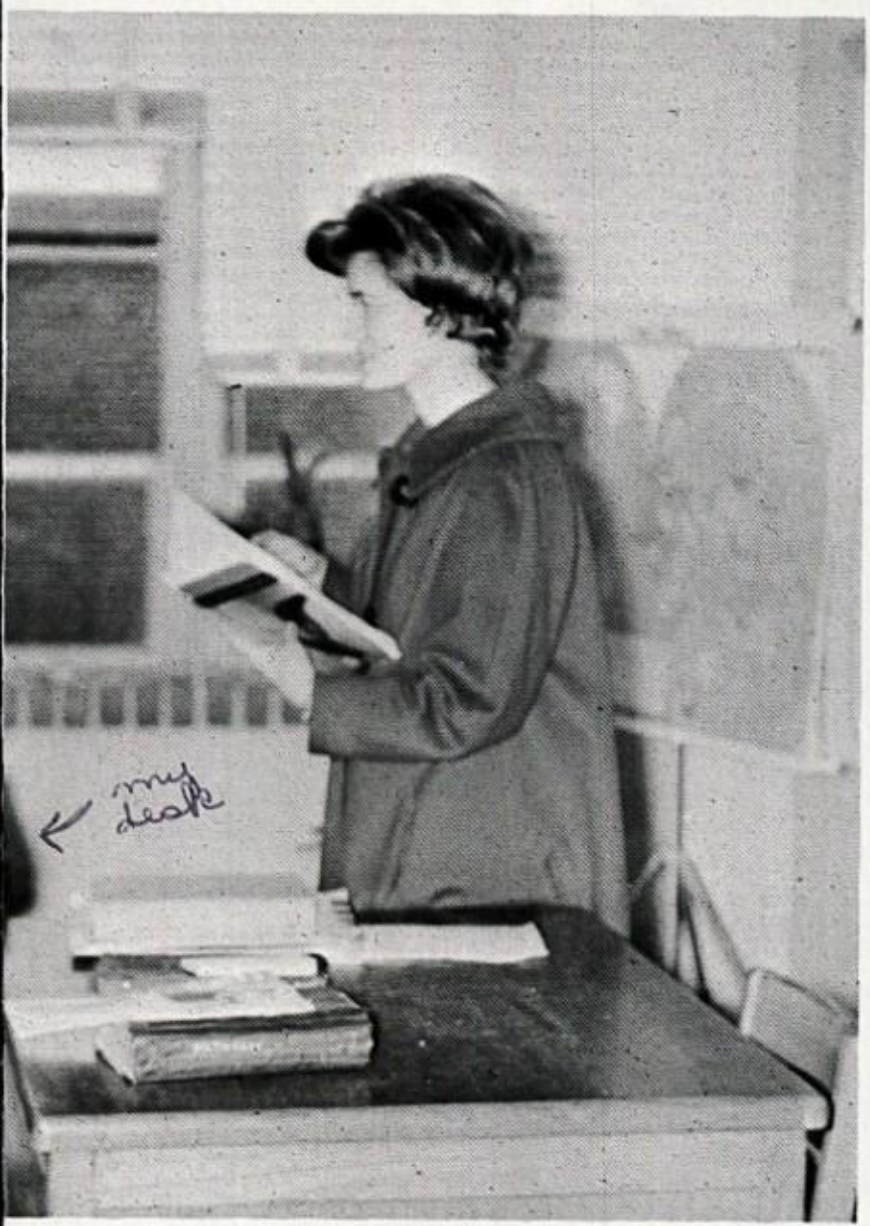
Office regulars Paul Sugden, Robert Tutt, Jerry Emmel, Glenn Bristow, and Bubba Elmore laughed to keep from crying while waiting for their "interview"

Sherry Leonard's cigarette box actually contained popcorn which she sold at the Houston Oilers vs. Gorman Motors All-Stars basketball game sponsored by the Judson Athletic Association.



Several of the senior boys enjoyed a quick get-together in the hall during their lunch break.

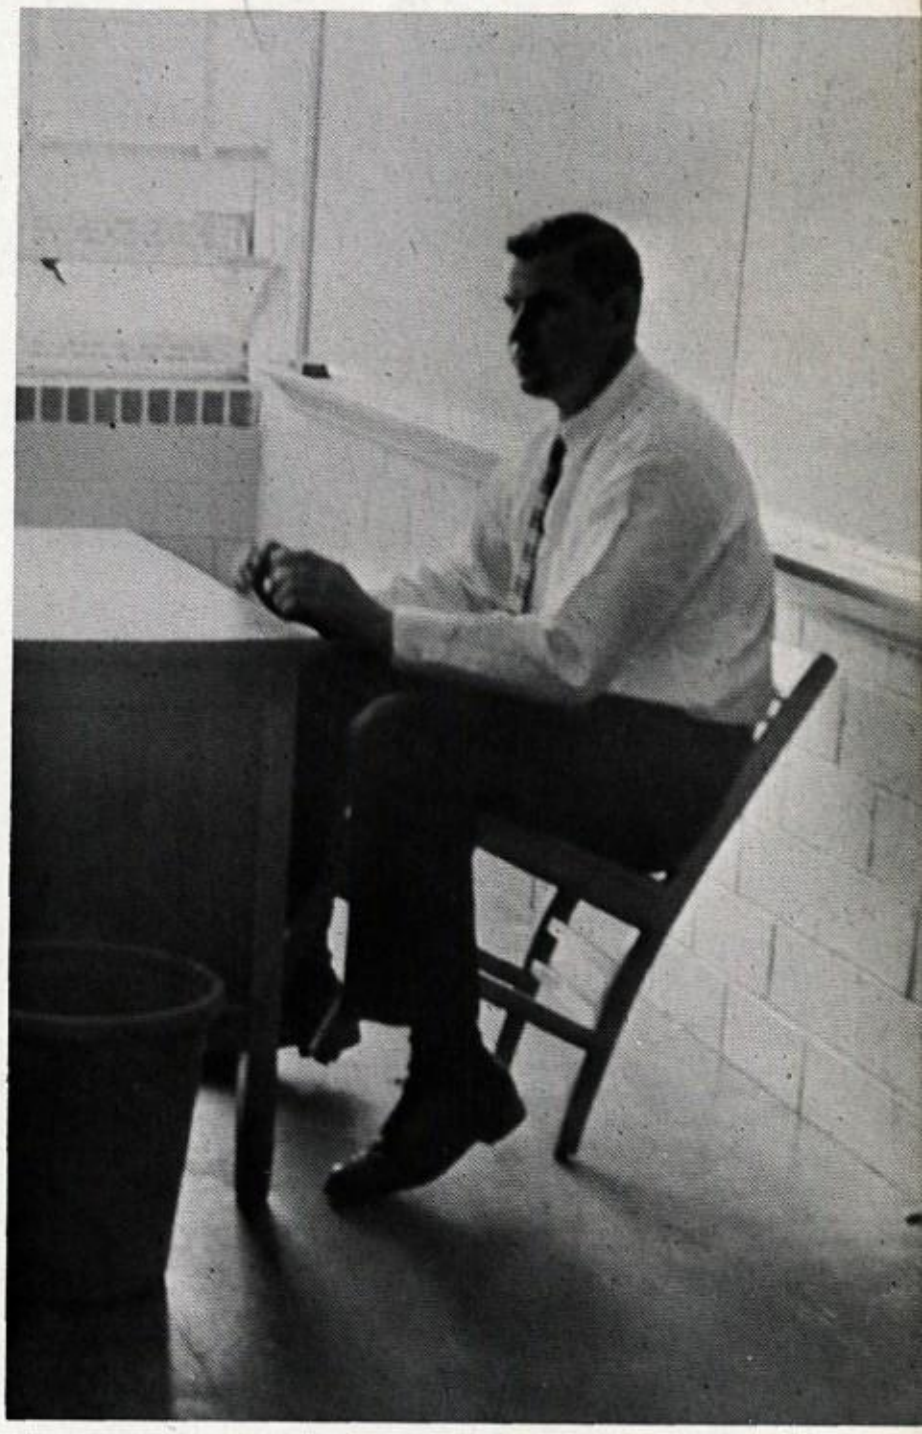
Coach Roberson's face showed his anxiety during a tense moment at a football game.



Miss Nail made even the dullest parts of literature interesting, with her own added sparkle.

After signing the employees' paycheck, the school board discussed one of the many problems which faced them.

Richard Lankford and Carol Jennings took time out for "the pause that refreshes" before rushing to their fifth period class.

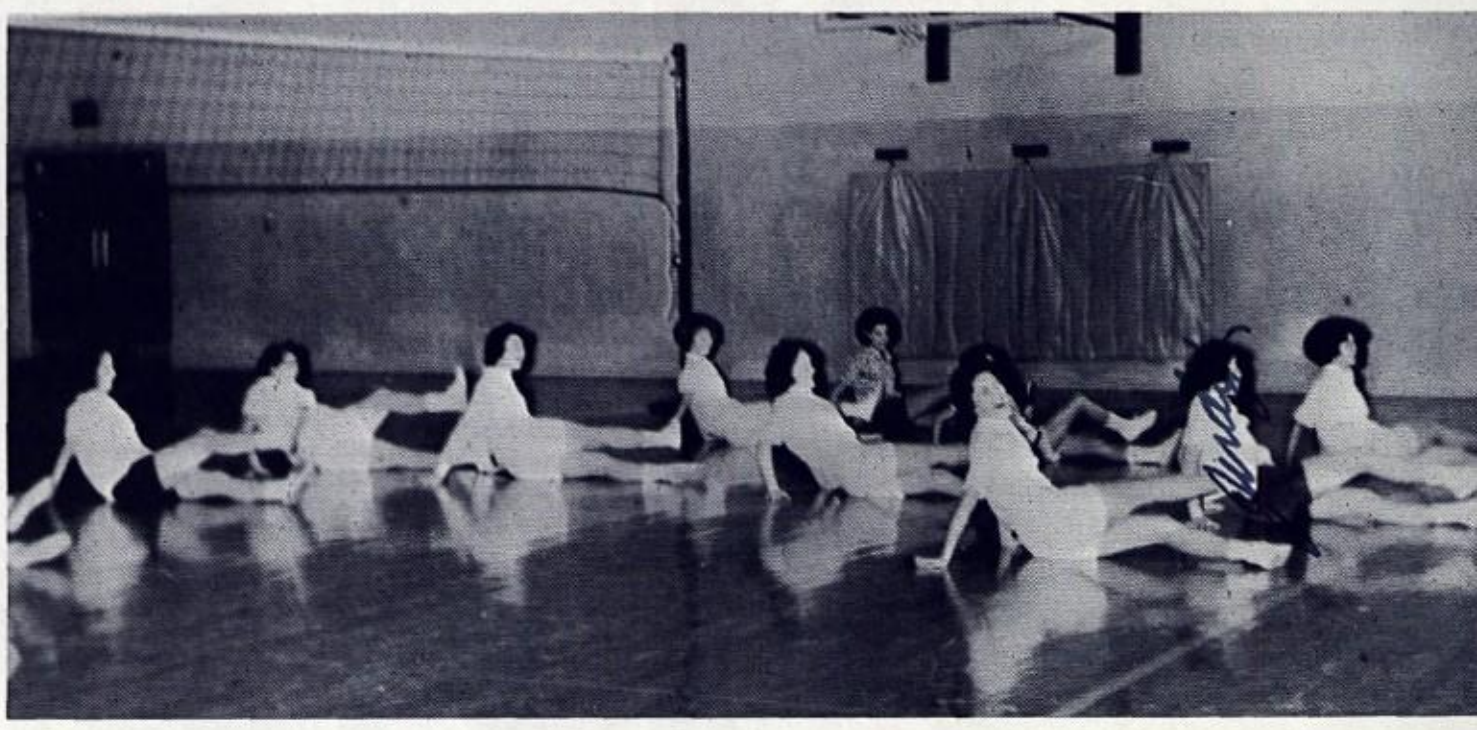


Coach Upshaw assumed his favorite position as he prepared to explain the "simple" steps to a geometry problem to a curious student.

Work and Play Characterized

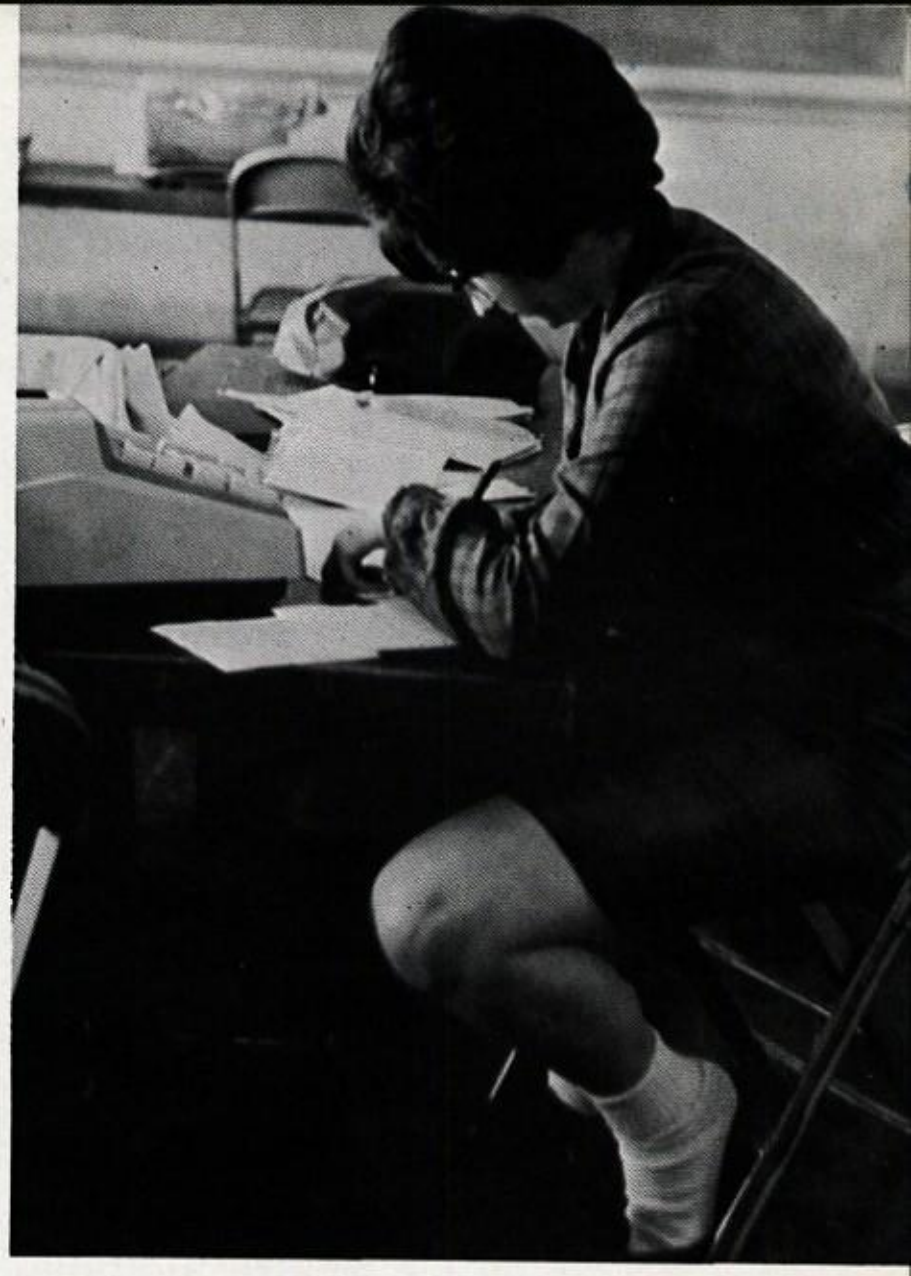
Spring weather made it hard for the FHA girls to keep their minds on the program.

Pat Claxton and Christine Billingsly launched enthusiastically into their yell during the cheerleading tryouts.



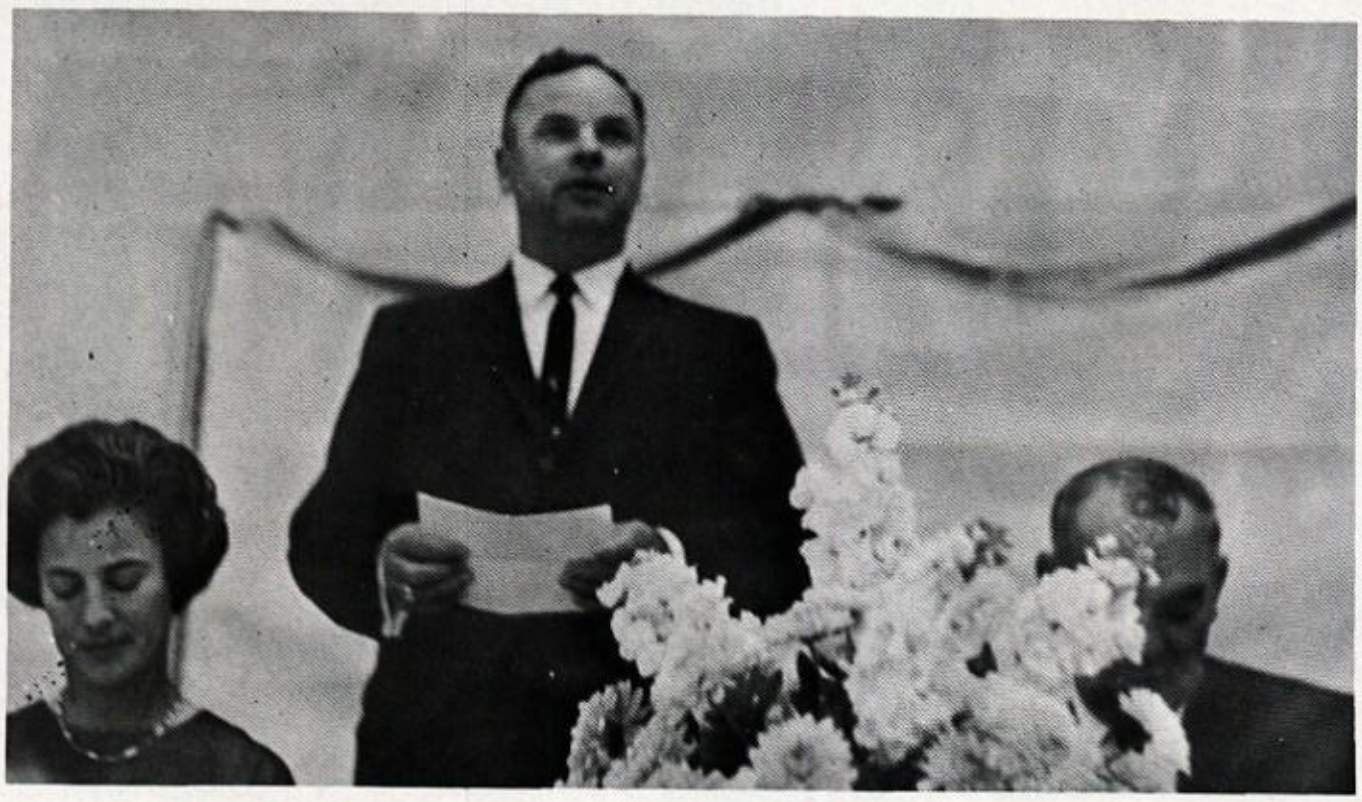
The P.E. girls did exercises to get their bathing suit figures for the summer.

Veteran cheerleader Jill Wiley demonstrated the proper technique to a group of hopeful girls about to try out for cheerleader.

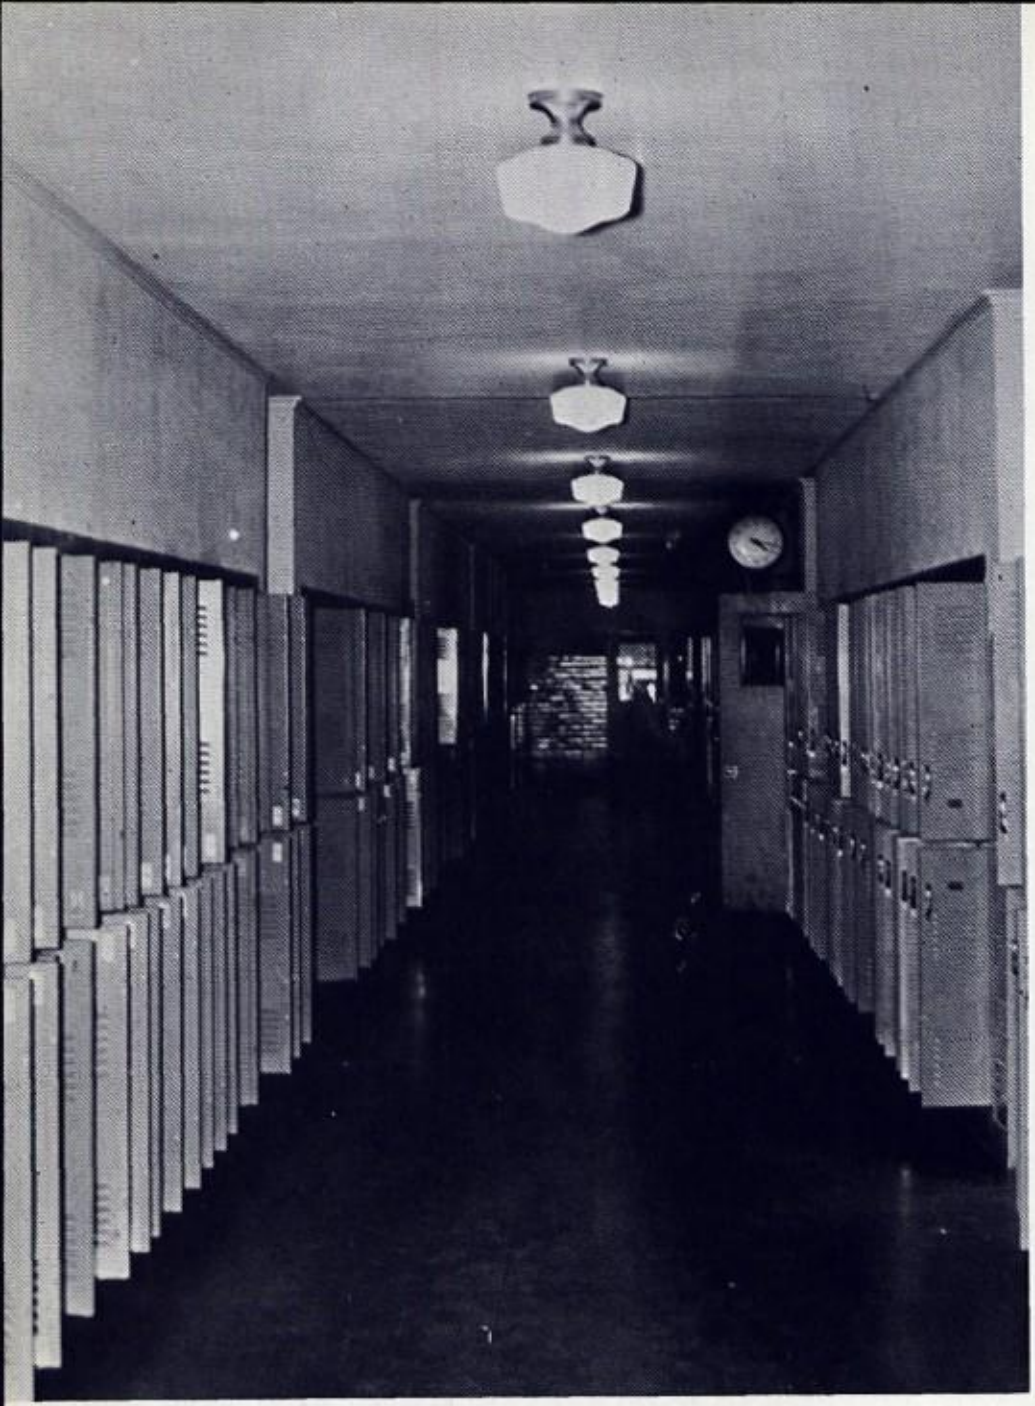


Janelle McQueen saw no reason to sacrifice her comfort while she worked laboriously on her bookkeeping assignment.

Maze of Hectic Spring Activity



Mr. Andy Robinson, president of the Judson Athletic Association, welcomed the guests at the annual athletic banquet.



School was out at last.

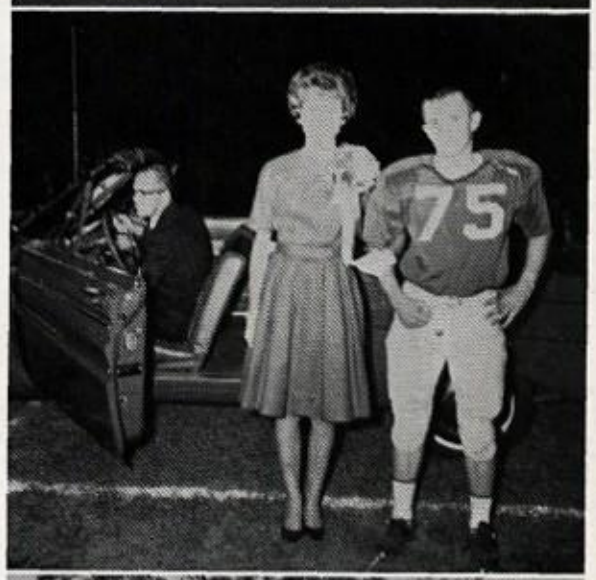
Howard Clark and his sister, Carol, danced in the early hours of the morning at Sue Frazier's party honoring the seniors after graduation.

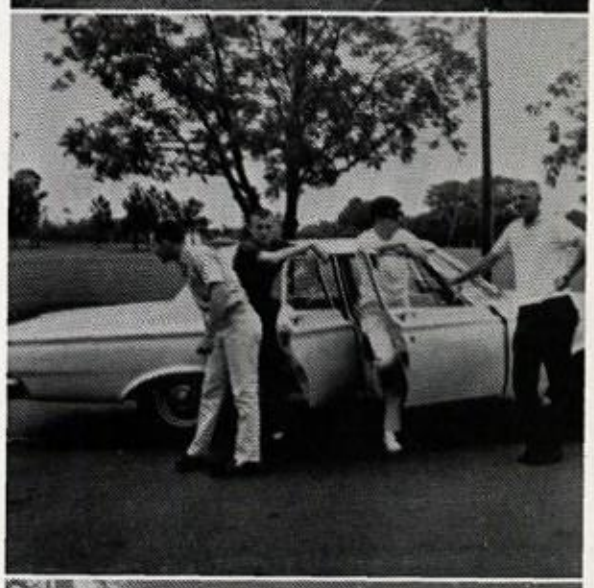
Rick Shepherd appeared apprehensive about the distance between the ground below and his seat on the Astrolift at Six Flags. Beverly Whitehurst, Claire Holloway, and La Dean Steele chatted away nonchalantly about the activity they were enjoying during the special Graduation Party.

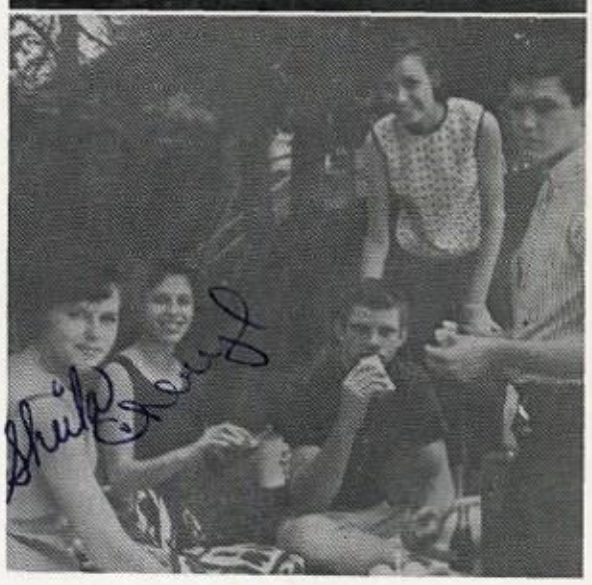
Like those at most other schools, Judson students enjoy singling out from among their ranks their favorites and bestowing upon these people certain titles that are very meaningful to us.

Those people whose pictures are placed in the "Who's Who" section appear here by virtue of their popularity, their attractiveness, their participation in Interscholastic League, or some other distinctive trait. Generally, these are the "cream of our crop".

We take special pride this year in including Judson's very first coed to be named "Miss Gregg County". Also in this group are two top contenders in the UIL State Meet. All this goes to prove what many have suspected for a long time: When the chips are down, regardless of the activity, Judson can hold her own with the best of 'em!







Who's Who

Judson Royalty Reigned

After days of eager anticipation, a hushed audience watched Marlene Hightree, senior, and Christine Billingsley, freshman, crowned Queens of Judson Senior High and Judson Junior High, respectively in colorful ceremonies in the high school auditorium March 12.

The program was under the auspices of the Judson Parent-Teacher Association.

Master of Ceremonies Rick Shepherd announced the names of duchesses and favorites as the stage band played "Paris In the Springtime." Then a talent show was

FIRST ROW, 1 to r: Judy Muller, Roland Whitehurst, Caryl Embree, Alane Woodard, Donna Wood, Nancy Lyon, Ray Futch. BACK ROW, 1 to r: Kenneth Jones, Vicki Pendergrass, Judy Pool, La Dean Steele, Betty Lile, Claire Holloway, Evelyn Gary, Nancy Deshler, Scotty Gage, King Tom

in Parisian Atmosphere

presented for the entertainment of the Court.

The gymnasium had been transformed into a romantic Parisian ballroom for the festive dance which followed the coronation. Myriad pastel flowers twined around the walls and through the baskets, and a mammoth Eiffel Tower loomed in the background as couples danced to the music of a combo provided for the special occasion. The Annual Staff sponsored the dance.

The Judson Debate Team, consisting of Sheila Duncan and D. J. Muntean, prepared for contest through research work.

Judson was represented at District and Regional contests in shorthand by Claire Holloway.

Students Won

Hilary Bray and Lynn McKelvey were anxious to begin on their spelling exam for contest.

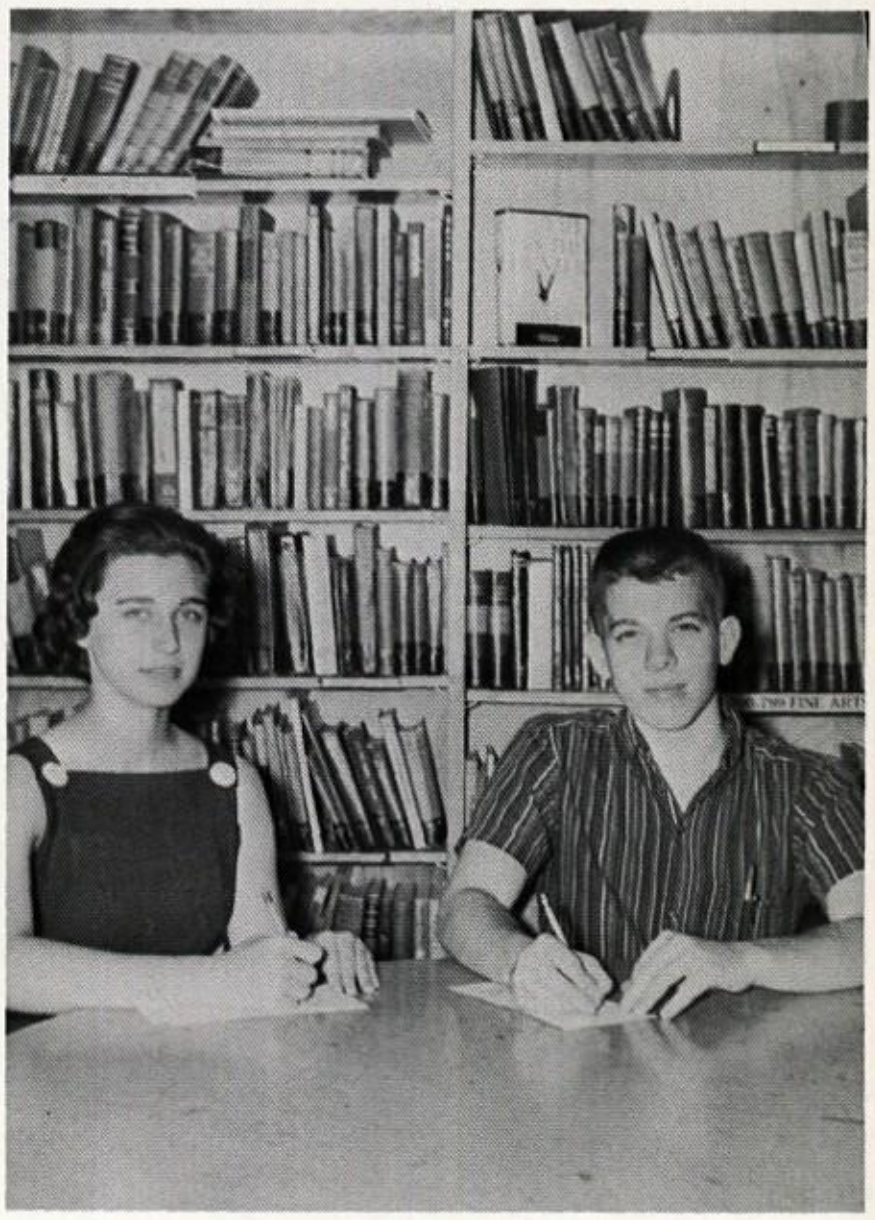
Janet Wilson and Marilyn Arthur participated in the District contest in typing. Marilyn placed third.

Slide Rule representatives were Andy Thomas and Brenda Cabbiness. Brenda won first in district and regional.

Lanny Swanson and Sandra Robinson were Judson's persuasive speakers at contest.

District, Regional UIL Titles

Marlene Hightree and Randy Erwin went to contest in prose reading. Randy won first in district and regional and third in state.



Cynthia Collier and Andy Thomas participated in number sense at contest for Judson.

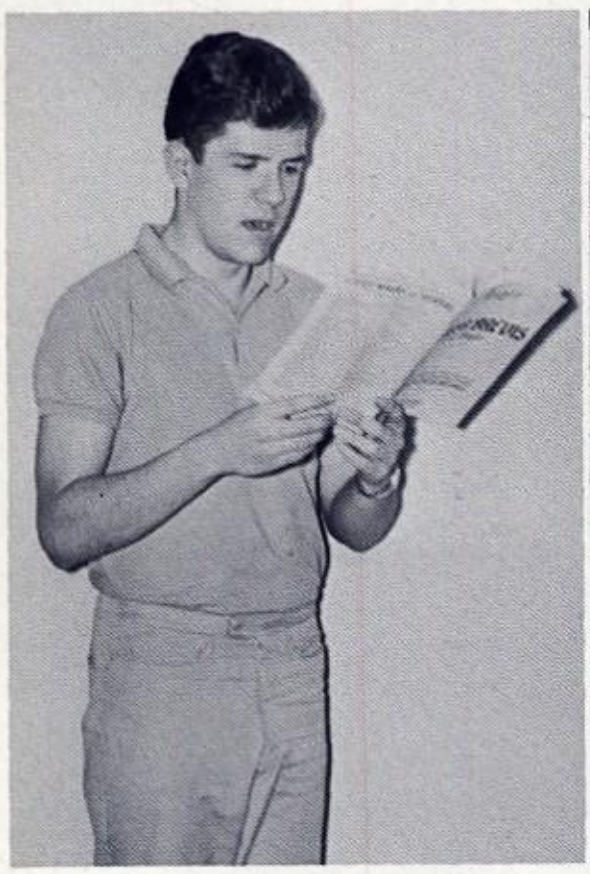
Stage Band

The Judson High School Stage Band, directed by Hubert Wilbur, became an active organization this year and provided much diversified entertainment. Members attended the Sam Houston College Stage Band Festival and made a three-day trip to the Brownwood Stage Band Festival. Also, this group performed for the Judson Lions Club, the High School Coronation, and presented a Talent Show at the termination of the school year.

Members were: D. J. Muntean, Barbara Thomas, Pat Haggard, Phil Haupt, Thomas Killingsworth, Paulette Loan, Janet Wilson, Curtis Cox, Royce Wyatt, Jon Carl Vogel, Dan McQueen, Loy Thurman, Joe Vorsas, Monnie Linton, Walter Futch, David Yarian, Wallace Strickland, David Daimwood, Bill Waggoner, Julie Hvezdos.



Bill Waggoner won 1st Division rating for his vocal solo at Regional Contest and attended the State Solo and Ensemble Contest.

Marlene Hightree, the only student from Judson chosen to participate in the All-Region Band, practiced for the group's special concert.

High School Band alternate twirlers were Mary Beth Lucy and Karla Richardson.

Pep rallies, ball games, parades, twirling school and contests highlighted the '63-'64 majorettes' year. Activity started in mid-summer with their own "get-in-shape" clinic and the Tops in Twirling twirling school at Kilgore Junior College, where they won Most Outstanding Military Ensemble in the clinic twirling contest. Rehearsals every Monday afternoon, pep rallies every Friday afternoon, and a ball game every Friday night filled the girls' weeks during football season. Such other events as the UIL Twirling Contest and the London Invitational Twirling Contest challenged the twirlers to stay in top form all year.

The National Honor Society was founded by high school principals for the purpose of recognizing students outstanding in character, leadership, scholarship, and service.

This year the local chapter inducted eleven new members. The society had a banquet at Christmas and a picnic in the spring to honor these inductees. They also held a tea for graduates and presented trophies to the boy and girl athlete with the highest averages who were not NHS members. Each six weeks those students who made the honor roll were invited to a special reception given by society members.

Mrs. J. D. Betts, sponsor, and Vickie Horn, club president, examined the latest edition of *Student Life Highlights*, the national publication for NHS.

Dana Muntean lighted the yellow candle of service and emphasized the necessity of this attribute at the formal spring induction service.

Over-all goal of the Future Homemakers of America is to help individuals improve personal, family and community living, now and in the future.

Judson Chapter of Future Homemakers has strived toward fulfillment of this goal by numerous social and civic affairs. The local group sent delegates to area and state Future Homemaker meetings, and successfully supported Kay Moore, historian of the Judson Chapter, for the part of Third Vice President, Area IX.

Charlotte Woodard, Karen Trout, and Diane Visage gladly served young patrons during the Cake Sale in November.

Don't think I'll forget that coke bottle drive!

Eva McDowell, Faye Murphy, and Vicki Pendergrass loaded bottles for the annual coke bottle drive. Proceeds from the drive were used to pay expenses of delegates to the state meeting.

Student Council

According to the Constitution, the purpose of the Student Council is to promote school spirit, loyalty, good sportsmanship, friendliness, courtesy, and a better relationship between the student body and administration.

Among the activities of the Council this year were purchasing the awards for the school favorites and sponsoring "Bundle Day."

Officers left to right of the Student Council for 1963-64 were Randy Erwin, President, Sheila Duncan, Vice President, Marlene Hightree, Secretary, and Dana Muntean, Reporter.

In December the Student Council sponsored "Bundle Day." A film, "The Sergeant Was a Lady" was shown to those who paid admission with clothes, toys, and food. The bundles were taken to the Salvation Army, who distributed the articles to needy families.

Members were Barbara Thomas, Sheila Duncan, Dana Muntean, Andy Thomas, David Yarian, and Danny Perkins.

Debaters

The Debate Team under the direction of Mrs. Kay Moyers, first semester, and Miss Linda Nail, second semester, had several practice debates with teams from schools and attended the Baylor Tournament in Waco.

Sheila Duncan and Dana Muntean placed first in the district UIL meet and second in the Regional meet.

Barbara Thomas, Andy Thomas, David Yarian, and Danny Perkins read over new material for their next debate.

As Dana Muntean read a quote, her partner, Sheila Duncan, listened critically.

Autographs

Dear Vicki,

When one really goes to thank one for a true friendship the words do not come easily. We've been through a lot in the past years, band, NHS, debate etc. (I wish you'd stayed in the band! You know you cheated yourself out of a trip!) Here's to hoping our last year at JHS will be the greatest! Now if I can just talk you into going to SFA with me, we can stay together.

always a friend,

D J.

Track was only one of several sports excelled in by Judson Junior High School athletes. The entire track team won the district trophy, and the ninth graders, with the help of eighth-grader Donny Carroll, won a trophy all their own. With a team smaller than last year's, Coach Murphy and Coach Gregory were able to give the boys more of the individual help and constant rugged workouts that helped them post the winning 1964 season.

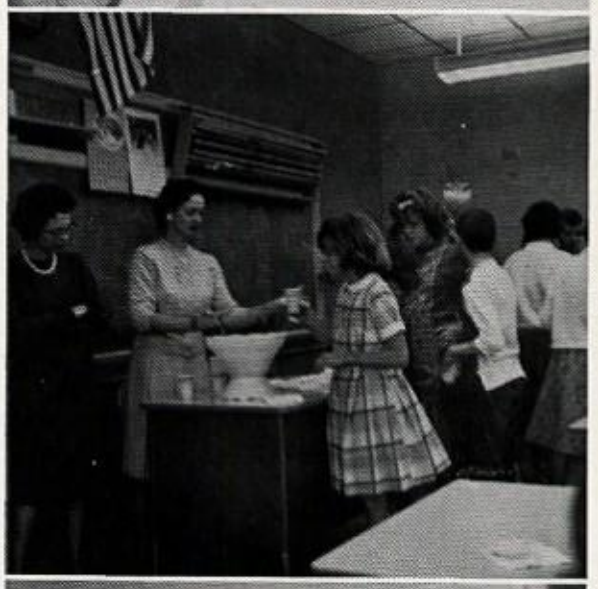
A visitor to the brightly-decorated classrooms of the Mozelle Johnston Elementary School might have unexpectedly encountered a fierce-looking Indian warrior, a gaily-dressed Spanish senorita, or any one of many interesting characters this year. Actually these would have been elaborately-costumed students participating in the special programs that were a part of the regular schedule of events there.

If the visitor had come on a party day, he might have beheld countless Thanksgiving turkeys, Christmas Santas, or Easter bunnies and eggs, depending on the occasion.

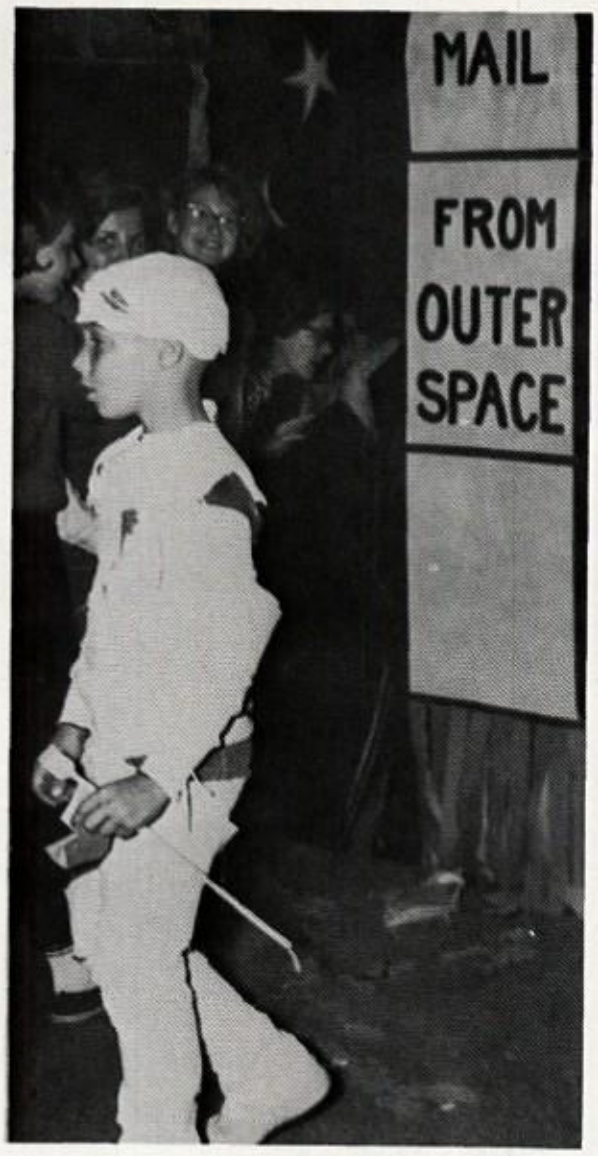
The schedule was not all play. In their studies, among other things, the elementary school students were introduced to the "new math." There were even special sessions for parents curious about the subject.

This spring the students worked especially hard at making successful two new projects: the track meet and the book fair.



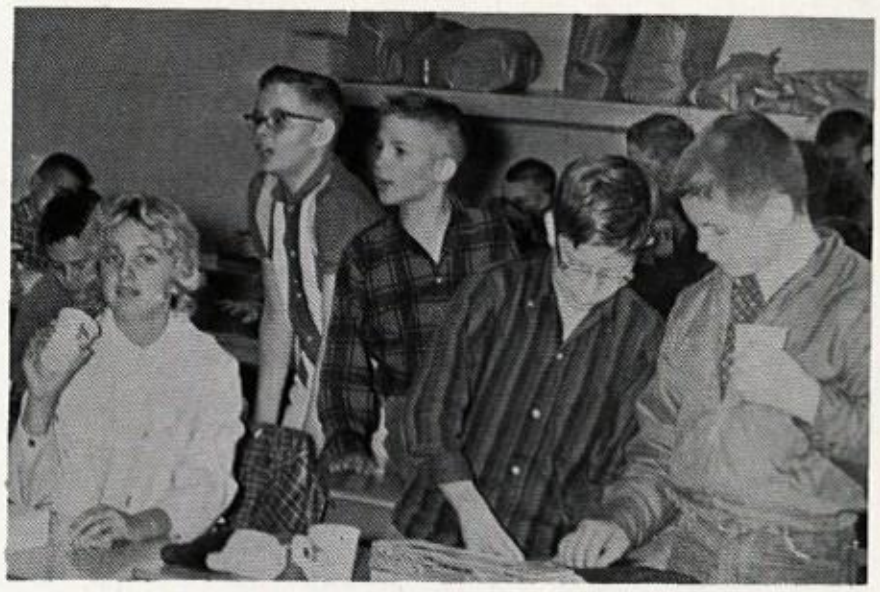
Elementary School

Special Programs, Parties



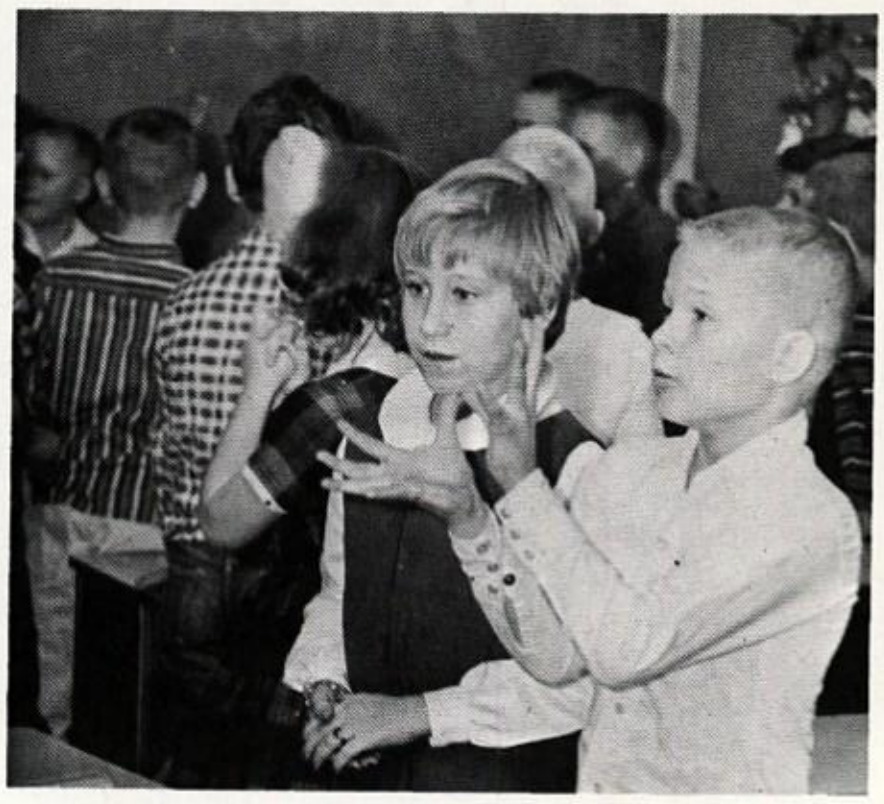
George Terrell walked away in bewilderment after receiving mail from outer space.

Crowds thronged to the Elementary School for the annual Halloween Carnival and the exciting treats offered at booths sponsored by the classes.



Dawana Pliler, Eddy Davis, Mike Killingsworth, Norman Green, and Bill Roberts surveyed the ruins of 6-B's successful party as they prepared to depart for the pleasures of thirteen uninterrupted Christmas holidays.

Mike Stallings calmly awaited his turn as his classmate, Kent Johnston, filled his cup with punch at the Christmas party.



Connie Lewis offered silent encouragement to classmate Darryl Ferguson as he waited expectantly for a toss from a friend.

Highlighted Challenging Year

Enthusiastic first-grade students danced merrily during their program presented for Spring Round-Up.

First graders sang with their hands as well as their voices for their rendition of DO-RE-MI.

Second-graders Nancy Yonack and Vickie Moore captivated their youthful audience with a puppet act.

Darryl Primo and Vicki Mullins tapped to a snappy tune on the Second Grade Talent Show.

"Beatles" Rory Knotts, Chris Garner, and Bill Lipscomb pantomimed "Let Me Hold Your Hand" at the second-grade program.

Thoughtful squaws, Melanie Everett and Deborah Arnold listened as their chief spoke at the third-grade Indian program.

The AMERICAN JUNIOR RED CROSS is a part of the American National Red Cross designed especially for elementary schools.

Each room at the Mozelle Johnston Elementary School has a boy and a girl who represent that room as the council. The class representatives pictured on these pages with their teachers serve on the council, which is the only student council at the school. The Chairman and the Co-chairman must be from the 6th grade; Secretary and Treasurer may be from the 4th, 5th, or 6th grades. Meetings are all called meetings. Principal James Walthall is the sponsor.

Individual classes may participate in any service project or program. The representatives keep the classes informed about council activities, take magazines and materials to rooms, and make any special reports and announcements.

The council takes care of lost and found, flag duties, and class campus campaigns.

Judson is fortunate indeed in its location, because it is far enough from town to be removed from the heavy traffic and confusion characteristic of a city, yet is near enough to take advantage of the many fine services the city's merchants offer.

Longview merchants are asked each year to purchase advertising space in the BLUE DEVIL. Frankly, their patronage is essential to the successful financing of our book. However, we feel that our advertisers "get their money's worth" because for many years you and others will be looking through your books and seeing these ads. We have attempted to photograph our students as customers of these businesses in order to make the section more interesting. *We do* patronize these co-operative firms, and we sincerely urge BLUE DEVIL fans to do the same.

KERN'S BAKERY

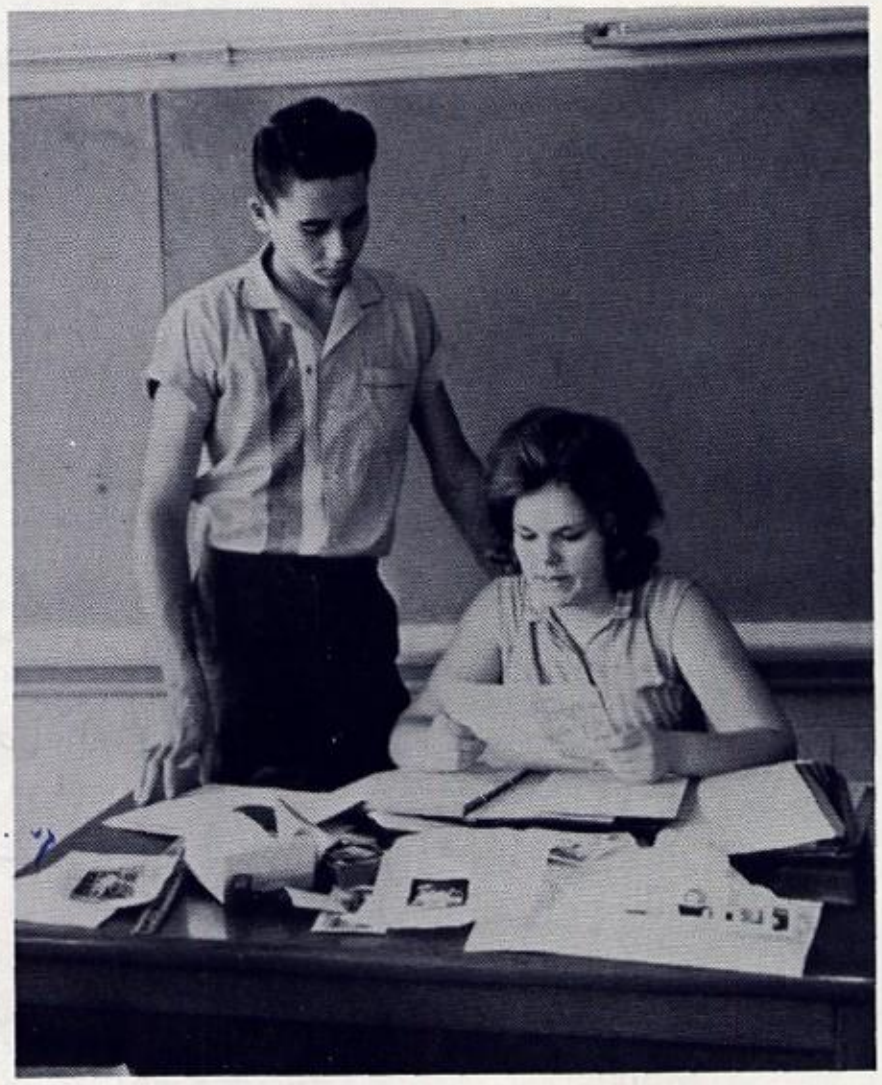
Makers of Kern's Bread — Tastes Better, Toasts Better, 'Tis Better.

Members of the Journalism class and their sponsor, Mrs. Janis Canion, took enough time to pose for a picture before the final shipment was due.

Journalism Class Produced

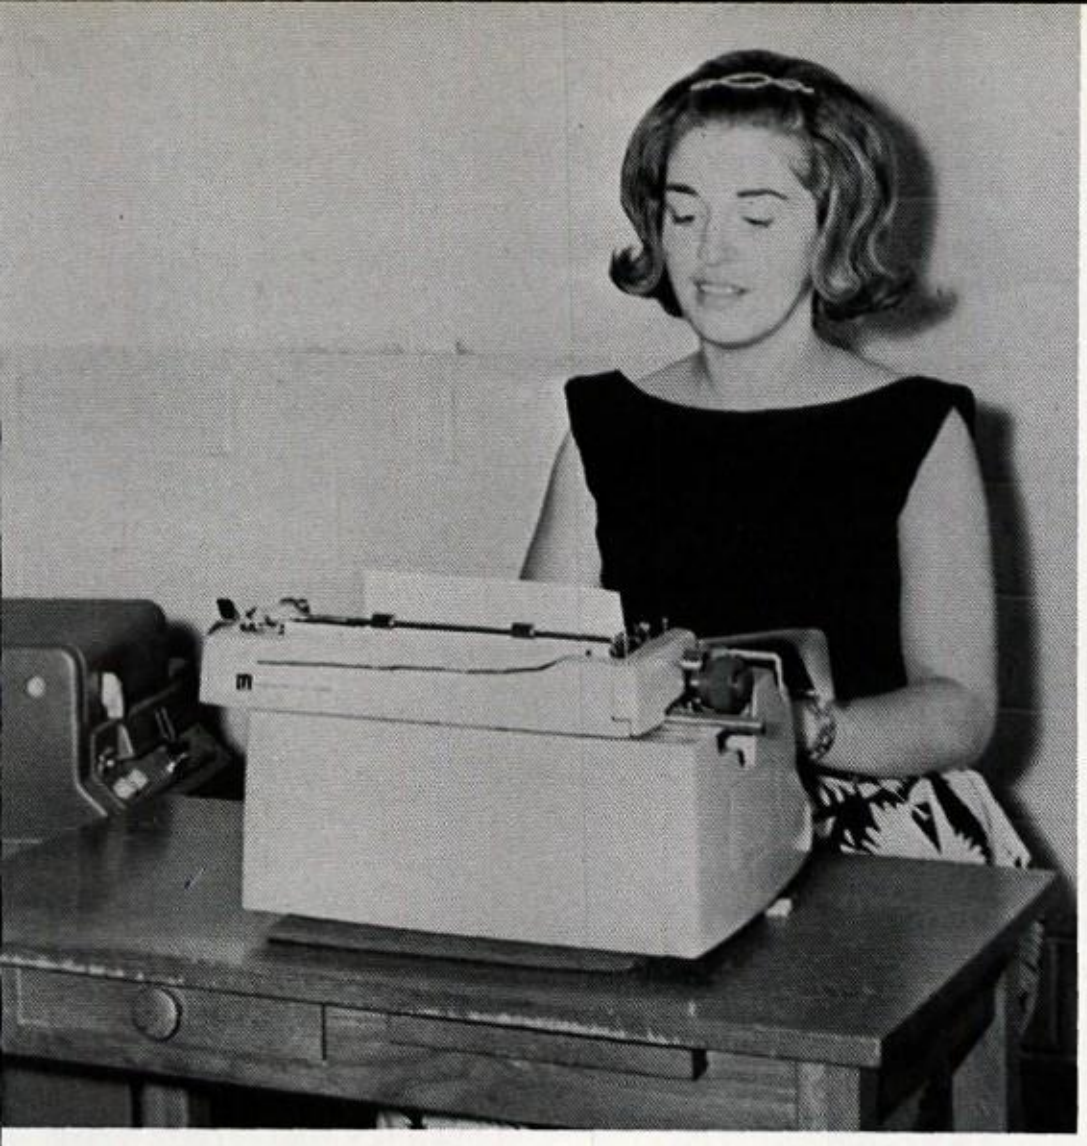
The goal of the Journalism class is to produce a yearbook which contains an accurate and interesting account of the activities of the school year of Judson School, and to produce a paper which informs the student body of the events and policies concerning school activities.

This year members of the class, accompanied by Mrs. Canion, attended conferences in Kilgore and Denton in order to gain new ideas for planning the yearbook. They also toured the *Shreveport Times* building and observed the production of a city newspaper.

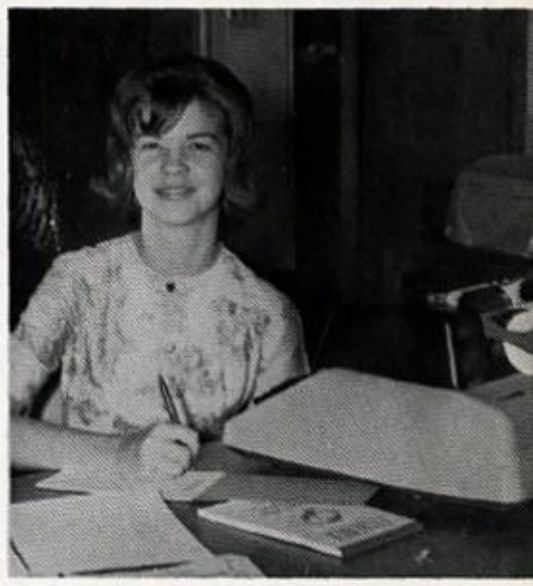


Co-editors of the '64 *Blue Devil* were Cynthia Barlow and Rick Shepherd.

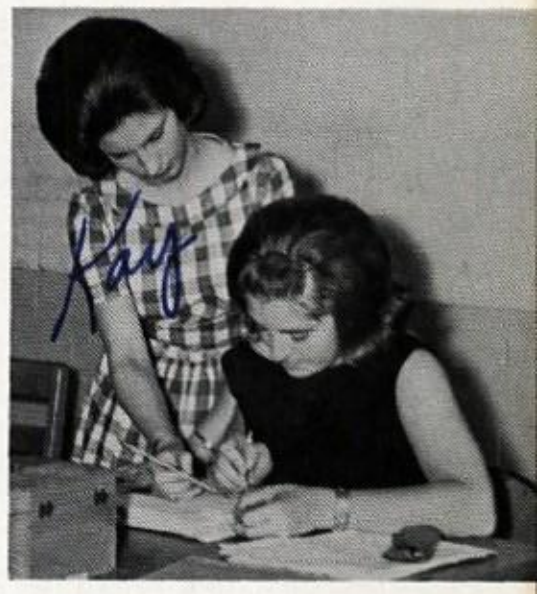
LaDean Steele and Vickie Horn ran off the next edition of the *Devils' Pulse*.



Betty Lile, editor of the *Devils' Pulse*, typed news stories for the next edition of the paper.



Sheila Duncan, business manager, worked on the books to estimate the cost of the annual.



Kay Moore and Betty Lile, representing Judson at the Region UIL journalism contest, placed third and fifth, respectively.

School Paper and Yearbook.

Aspiring journalists watched a professional linotype operator at work during their visit to the *Shreveport Times*.

Ki - Ki.

I must say that we have really had some times and live get the most horrible notion that there is much more to come. Being in the same car pool is going to present many tempting opportunities but I know that we'll be mature enough to not be tempted. The slumber parties bring back the most memories. Eva's car has a part in the fun, too.

We've really had the laughs and I know there are going to be more. Keep smiling and friends are going to come your way easily.

Love -

Dear Mabel,

It has really been great knowing you these past two years. Time does fly when you're having fun. I admit there were times I thought I'd never make it but I'm glad I stuck it out. Those were the times I'll remember most. I'll always cherish our friendship. Remember, it's not what you accomplish in life but what you overcome. Always keep smiling. Many blessings and much success in the coming years.

Love,

Jackie

Dear Vicki,

I shall never forget all the good times you, Eva and I have had - Even tho I haven't been with you two these past six months (you'll understand someday, maybe?) I have still enjoyed the good times we have shared these past four or five years. I hope we can make the most of our last year at good ole Judson High - Good Luck - you'll need it !!

Love,
Sheila

Dear Vicki,

I have enjoyed going to school with you. I hope we will be the best of friends always. The Best of Luck in all that you do.

Love,
Cheryl

Dear Vicki,

I am sorry that I haven't been able to get you a picture of you. I hope you enjoy being seniors, you're almost all. The years that I have known you (used to be friends two years on the basketball team) have gone by quickly. I hope the last of your senior year is the best.
